Durant deux jours de conférence, une trentaine d'experts de très haut niveau feront le point sur les derniers développements dans le secteur des transports et de la logistique, en présence de plus de 350 responsables de lignes maritimes, chargeurs, transitaires, logisticiens, opérateurs de terminaux portuaires, fournisseurs de services et équipements portuaires et ferroviaires venus du monde entier.

Toutes les communications de la conférence seront faites avec un système de traduction simultanée. français - anglais.

L'exposition quant à elle, accueillera pendant toute la durée de la conférence une centaine d'exposants offrant ainsi l'opportunité à des professionnels venant de grandes compagnies internationales de faire la promotion de leurs produits et services devant les participants à cette prestigieuse manifestation.

Cette rencontre pan africaine du transport et de la logistique constitue une occasion privilégiée pour la promotion de ce secteur sur notre continent. Le Port Autonome de Dakar compte sur votre soutien et votre participation active pour en faire un grand succès.
