A two days Conference Program will feature **45** world-class conference speakers addressing topical issues and challenges for transportation and logistics infrastructure. The conference will be attended by a gathering of 300 senior executive harbour masters, harbour engineers, port engineers, maintenance supervisors and procurement decision makers together with the region's leading shippers, cargo owners, importers / exporters, shipping lines, freight forwarders, logistics companies, ports, terminal operating companies, railway operators, port equipment and services suppliers from countries throughout the Mediterranean, Europe, Middle East and North Africa.

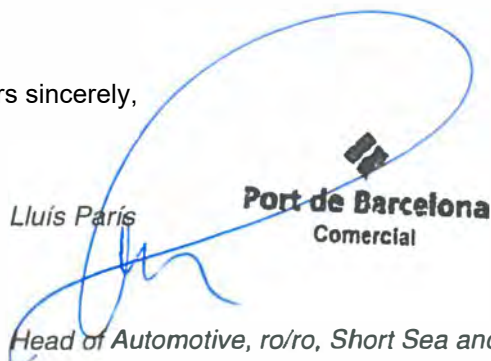

There will be the commercial opportunity for a limited number of **40** exhibitors and sponsors to network directly with delegates at this major annual international maritime transport & logistics exhibition and conference for Mediterranean & Europe Region. You are invited to reserve your first choice of exhibition stands on the Exhibition Floorplan and register a conference delegation while there is still some availability!

Port de Barcelona is proud to host again the Mediterranean Ports and Logistics event, and would like to assure you an excellent business networking opportunity. Currently in the region, Port de Barcelona is ahead of the mix in many fields: rail logistics fully integrated in the Port, an ongoing project to adapt our place to modern operational necessities with strong emphasis on sustainability. We are starting this with a new OPS (cold ironing) system and the use of new generation fuels to reduce greenhouse emission which is key in advancing the effort to achieve port decarbonisation.

We look forward to welcoming you to our vibrant city of Barcelona and looking forward to your participation at the **12th Mediterranean Ports and Logistics 2025** from **Tuesday 20 May to Thursday 22 May 2025** at the **Catalonia Barcelona Plaza Hotel, Barcelona**
