ASEAN Ports and Logistics Continues to be the Biggest
Annual Ports and Logistics Event in the ASEAN Region

Jakarta, 08 May 2024

ASEAN PORTS AND LOGISTICS 2025

Hosted by **PELINDO**
JW Marriott Jakarta, Indonesia
Tuesday 1 to Thursday 3 July 2025

Dear Valued Colleagues,

ASEAN Ports and Logistics continues to be the biggest annual Container Ports and Terminal Operations Exhibition and Conference in the ASEAN region - now in its 23rd successful year!

The ASEAN Ports and Logistics 2024 Exhibition and Conference will take place in Jakarta, Indonesia from Tuesday 1 to Thursday 3 July 2025.

A two days Conference Programme will feature **30** world-class conference speakers addressing topical issues and challenges on global transportation and logistics attended by a gathering of **350** senior executive harbour masters, harbour engineers, port engineers, maintenance supervisors and procurement decision makers together with the region's leading shippers, cargo owners, importers / exporters, shipping lines, freight forwarders, logistics companies, ports, terminal operating companies, railway operators, port equipment and services suppliers from countries throughout the ASEAN region.

There will be the commercial opportunity for **50** exhibitors and sponsors to network directly with the delegates at this major annual international maritime transport Exhibition and Conference trade event for the ASEAN region.

PELINDO is delighted to host this captioned event in the vibrant city of Jakarta and we welcome and encourage you to visit our beautiful country Indonesia and attend this important annual industry event in 2025.

We look forward to your participation at the biggest annual Container Ports and Terminal Operations Exhibition and Conference in the ASEAN region taking place in Jakarta, Indonesia from Tuesday 1 to Thursday 3 July 2025 - now in its 23rd successful year!

Yours sincerely,

ARIF SUHARTONO

President Director
PT Pelabuhan Indonesia (Persero)

MEET THE SPEAKERS

Donovan Yeo
Senior Financial Analyst, Haskoning, Republic of Singapore

Donovan Yeo, Senior Investment Analyst at Ocean Shipping Consultants (Haskoning), focuses on port and maritime projects, especially container ports and multipurpose terminals. He specialises in financial analysis, investment feasibility and advisory services, primarily within the ASEAN region.

Dasman P. Tamba
Senior Consultant, Drewry Maritime Services, Republic of Singapore

Dasman is a Senior Consultant with Drewry Maritime Advisors' Singapore advisory team. He has about 14 years of operating experience in ports and terminals and 5 years of consulting project work. Dasman joined Drewry in November 2019 with extensive operational experience in ports and terminals. He earned an MSc in Maritime Economics and Logistics from Erasmus University in Rotterdam. Prior to joining Drewry, he worked for an Indonesian port company. Since joining Drewry, he has worked on various consulting projects, including Ports IPO, Ports merger review, port development, market analysis for various ports, logistics expansion strategy, shipping strategy, tanker and LPG shipping market analysis, container shipping market outlook, and logistics cost optimisation.

Truong Bui
Partner and General Director, Roland Berger, Republic of Singapore

Mr. Bui has been leading multiple projects for port strategies, logistics and many other topics in Bangladesh, Cambodia, Estonia, Egypt, Greater China, Indonesia, Japan, Latvia, Malaysia, South Korea, Turkey, Thailand, United States, and Vietnam. Mr. Bui is an advisor for leading corporations, local conglomerates, state-owned enterprises, and multinationals on strategic planning and growth issues.

Juliana Sofhia Damu
CMILT - WILAT Indonesia Chairperson, Republic of Indonesia

Juliana runs her own Logistics company in Jakarta and is in the process of expanding business scope to Agribusiness and Education. She studied at Academy of Secretary and Management Indonesia and previously worked as General Manager for a Freight Forwarder company. She is the Chair of the North Jakarta chapter of the Indonesia Women Leaders association. Public speaking and motivating other people are what she is passionate about.

Jeff Tan
Director, Supply Chain & Logistics Practice, APAC, Supply Chain & Logistics Advisory, Frost & Sullivan, Malaysia

Jeff leads Frost & Sullivan's APAC SC&L Advisory Practice, driving client engagements and strategy projects to optimise supply chains across logistics and maritime sectors in the Asia Pacific region.

Debbie Torre (CSCP, CMILT) **Moderator**
Indonesia Sales Head, Transport & Logistics, A.P. Moller-Maersk, Republic of Indonesia

Debbie currently leads the Indonesian sales team focused on commodities. Her experience in Indonesia includes Supply Chain Management & Account Management before joining Maersk. She is also a member of the Chartered Institute of Logistics and Transport, Women In Transport and Logistics and is a certified supply chain professional (CSCP). In addition, she is a Toastmaster (public speaking club) and has competed locally in Jakarta amongst other Toastmaster clubs.

Mazlim Bin Husin
Chief Commercial Officer, Kuantan Port, Malaysia

Mazlim Husin is a seasoned port operations and commercial leader with over a decade of experience transforming Kuantan Port into a strategic regional gateway and a pivotal node in China's Belt and Road Initiative (BRI). Currently serving as Chief Commercial Officer he previously held key roles as General Manager (Operations) and Chief Operating Officer, driving operational excellence and trade-focused growth. A central figure in strengthening China-ASEAN trade corridors under the BRI framework, Mazlim has advanced Malaysia's East Coast Economic Region (ECER) through dry-bulk port modernization, infrastructure connectivity, and sustainable development. His leadership supports Malaysia's ambition to become a "logistics hub" for ASEAN while fostering public-private partnerships (PPPs) that align with BRI objectives.

MEET THE SPEAKERS

Bart Vermeer

Senior Director, Terminal Planning and Optimization, Moffatt & Nichol, The Netherlands

Mr. Vermeer has an extensive background in project management and business consulting in the marine terminal industry. With more than 20 years of experience in the field, his expertise involves strategic terminal planning, port and terminal development, specifications and performance for automated equipment, as well as operational analysis, terminal optimization and equipment implementation. Mr. Vermeer has guided implementation teams through operational design, procurement, implementation, testing, and quality management. Mr. Vermeer's work in the field has taken him to project sites throughout the Americas, Europe, the Middle-East, Asia, and Africa. Before joining Moffatt & Nichol, Mr. Vermeer was a project manager of operations at APM Terminals, serving on its Maasvlakte II container terminal development project. He held various positions during a seven-year tenure at European Container Terminals (ECT), including a five-year period as manager of terminal commissioning for the ECT Euromax terminal development project.

Daniel Chow

Principal, Arthur D. Little Southeast Asia (Singapore), Republic of Singapore

Daniel Chow is a Principal at Arthur D. Little Singapore, with focus around advising on strategy, M&A, and innovation across Asia Pacific. He has over 20 years of experience in corporate and investment roles across transport, tech, logistics, and industrial sectors.

Pieter de Coningh

Managing Director, Tidalis APAC Limited, Hong Kong

After serving 18 years in The Royal Netherlands Navy, Pieter joined Tidalis in 2002 when it was named "HITT Holland Institute of Traffic Technology B.V.", and started his second career in the Vessel Traffic Services (VTS) domain. In the last 20 years, Pieter is active in VTS business in Europe, South America and Asia. As a permanent resident in Hong Kong, Pieter put his focus on maritime traffic management in Asia markets.

Dr. Mark Yong

Moderator

Co- Founder, FlatWorld Associates, Hong Kong

Mark began in the field of Molecular Biology, earning a Degree and Doctorate from Liverpool University and Oxford University respectively. Mark then transitioned to the shipping industry, where he held key roles at P&O Containers and P&O Nedlloyd. Mark's career path evolved as he ventured into e-commerce, serving as Director of Business Development at Alibaba.com. His passion for innovation and technology led him to INTTRA. In 2008, Mark joined BMT, an engineering consulting company, overseeing the shipping, ports and environmental development activities in the Asia-Pacific region. He then joined Blume Global, a supply chain optimization platform in 2019. Mark joined Avathon (previously SparkCognition) in 2024, as Managing Director APAC & EMEA. Mark recently set up FlatWorld Associates, a Supply Chain consulting firm, focused on Digital/AI strategy and critical Infrastructure Design, planning and optimization. Mark is deeply committed to nurturing growth of the younger generation through mentorship and industry advocacy. In 2024, Mark was awarded the Honorary Fellow Prize by the Supply Chain Asia Organization.

Rose Yap

Head of Port Communications & Marketing, Long An International Port Operation & Management JSC, Vietnam

With over two decades of experience in the port, logistics, telecommunications, and marketing services industries, Rose has spearheaded growth-driving campaigns for global logistics companies such as DHL, DB Schenker, and TNT, as well as local brands and start-ups in varied industries and diverse markets such as Vietnam, the Philippines, Cambodia, Myanmar, and Bahrain. At Long An International Port, Rose is responsible for driving brand exposure, fostering industry relations, and promoting its vision of becoming a one-stop, cost-saving port and logistics hub, contributing to the provincial, regional, and national socio-economic development goals.

Fazrin Assidiqy

Ports and Maritime Manager (Indonesia), Surbana Jurong, Republic of Indonesia

Fazrin is a seasoned Maritime professional with over 15 years of extensive experience in the industry. His expertise lies particularly in the design of maritime structures through his involvement in diverse projects across Indonesia, Malaysia, Thailand, Timor Leste, Papua New Guinea, and Fiji. Currently, Fazrin holds the key position of leading the Indonesia Port & Maritime team at Surbana Jurong (SJ) Group, where he is responsible for managing strategic operations and project delivery in the region. Prior to joining SJ, Fazrin successfully managed the engineering team for the Maritime Advisory Group of Royal HaskoningDHV in Jakarta. Fazrin's deep understanding of maritime engineering, coupled with his extensive regional experience and leadership roles, makes him a valuable voice at the ASEAN PORT conference.

Reshma Yousuf

Director, CLLB Sdn Bhd (Centre for Logistics Leadership in Business) and President, Women in Shipping & Trading Association (WISTA), Malaysia

Reshma Yousuf, Founder and CEO, CLLB (Centre for Logistics Leadership in Business), Malaysia. She has more than 20 years' experience in the integrated logistics industry as a service provider, user, trainer and consultant, and is an accomplished and experienced moderator. She is a Chartered Member of CILT and has also obtained corporate affiliation between CLLB and CILT. Reshma is currently a council member of the Institute in Malaysia.

MEET THE SPEAKERS

Benny Woenardi
President Director, Cikarang Dry Port, Republic of Indonesia

Through innovation and collaboration for over three decades, Benny Woenardi, President Director of Cikarang Dry Port has reshaped Indonesia's logistics sector. His leadership has reduced costs, improved efficiency, and created a seamless ecosystem that drives national trade and supports sustainable growth.

Pramit Gangopadhyay
Technical Sales, SIBRE Siegerland Bremsen GmbH, Germany

Pramit Gangopadhyay is a Technical Sales Engineer based out of the SIBRE headquarter in Germany. His primary role is as sales, marketing, and business development of markets in Europe and Asia. His experience in roles related to product sales and project management in India and Europe has helped him gain suitable insights in the material handling and industrial sector towards increasing system efficiency and customer satisfaction.

Aldimas Kharunia Zaman Moderator
Internal Audit Manager, PT Integrasi Logistik Cipta Solusi (A Subsidiary of PELINDO), Republic of Indonesia

Mechanical Engineer with Master's in International Transport from Cardiff University. Currently serving as Internal Audit Manager specializing in risk management and compliance at Pelindo IT Solution subsidiary.

Alex Lee
Regional Sales Manager (MCCtec - Maritime Crane), Liebherr-Singapore Pte. Ltd., Republic of Singapore

Alex Lee is the Regional Sales Manager for Liebherr-Singapore MCC.

He brings a strong background in sales across various sectors, now focused on delivering value-driven port equipment solutions to stakeholders in the port and maritime industry. With a keen understanding of regional market dynamics and a results-oriented mindset, Alex supports the advancement of efficient and sustainable port operations through Liebherr's cutting-edge technologies.

Sameer Mubarak
Chairman and Executive Director, Nafith Logistics, Germany

Mr. Mubarak has more than 30 years of experience in technology driven logistics for ports and hubs, in the MENA region and North America. He has developed many patented and advanced technologies for logistics monitoring and control services, supply chain management, marshalling services, trade facilitation portals, IoT and Deep Learning technology.

Florian Schuster
Director, VEM Motors Asia Pte. Ltd., Republic of Singapore

He is responsible for 16 countries, managing a revenue of 18 million and a team of 20 staff. His experience includes new business development, process improvement, digital marketing, and blockchain implementation. He is passionate about exploring crypto and other emerging technologies to enhance products and services. His mission is to transform VEM Motors Asia into a leader in the electric motors industry. Florian holds a Bachelor of Science in Engineering from FOM - Essen, Germany (2010) and an Advanced Professional Certificate in Digital Transformation from NUS Singapore (2022). He is proficient in English (Native) and German (Mother). His skills include Leadership, Creativity, Digital Transformation, Sales Strategy, Design Thinking, and Blockchain. His achievements include establishing a team of 20 staff with expertise in accounting, quality, and engineering between 2017 and 2025. He also led product and solution development for PMSM and VFD from 2023 to 2025.

Brian Swan
Managing Director, Bellmond Technologies, Republic of Singapore

Owner and Managing Director of Bellmond Technologies in Singapore, Brian first moved to Hong Kong from Scotland in 1994 starting as a Mechanical Design Engineer in a consumer electronics company manufacturing in Shenzhen. Brian then joined Cavotec Hong Kong in 1996 selling and servicing cable reeling systems before leaving as Technical Director. Brian has staying in the Material Handling Equipment and Component business ever since, immediately working with Prysmian Group as agent, distributor, and service partner, bringing together knowledge of reeling systems and cables that go on them. Today, Bellmond Technologies brings together several power and safety solutions for the Ports, Mines, Tunnelling, and Industrial sectors.
