Dear Valued Colleague,

24th ASEAN PORTS AND LOGISTICS 2026

Exhibition and Conference
Tuesday 7 to Thursday 9 July 2026
Sofitel Kuala Lumpur Damansara Malaysia

To provide a networking opportunity between foreign and local investment in ASEAN maritime transport infrastructure, PORT KLANG AUTHORITY is delighted to host the 24th ASEAN PORTS AND LOGISTICS 2026 taking place at the Sofitel Kuala Lumpur Damansara, Malaysia from Tuesday 7 to Thursday 9 July 2026.

A two days Conference Programme will feature **35** world-class conference speakers gearing towards sustainability in creating a modern logistics platform for the ASEAN transportation and logistics sector attended by a gathering of **300** senior executive harbour masters, harbour engineers, port engineers, maintenance supervisors and procurement decision makers together with the region's leading shippers, cargo owners, importers / exporters, shipping lines, freight forwarders, logistics companies, ports, terminal operating companies, railway operators, port equipment and services suppliers from countries throughout ASEAN and connecting regions. There will be the excellent opportunity for **50** exhibitors and sponsors to network directly with delegates at this major annual international maritime transport exhibition and conference trade event. You are invited to reserve your first choice of exhibition stands on the Exhibition Floorplan and register a conference delegation while there is still availability!

We look forward to welcoming you in person to our beautiful country of Malaysia, our vibrant dynamic ports infrastructure, and to your participation at the 24th ASEAN PORTS AND LOGISTICS 2026 taking place at the Sofitel Kuala Lumpur Damansara from Tuesday 7 to Thursday 9 July 2025.

Yours sincerely,

(DATO' CAPT. K. SUBRAMANIAM)

MEET THE SPEAKERS

Prof. Ts Dr. Muhammad Zaly Shah FCILT Moderator

President, The Chartered Institute of Logistics and Transport in Malaysia (CILTM), Malaysia

Prof. Muhammad Zaly Shah is a Professor at Universiti Teknologi Malaysia (UTM) and Director of the Research Institute for Sustainable Environment (RISE). He holds a B.Sc. in Industrial Engineering from Bradley University, USA, and an M.Sc. and Ph.D. in Transportation Planning from UTM. His research focuses on urban transportation modelling, active mobility, and smart, sustainable cities. He has published in top journals such as Cities, Land Use Policy, and Transportation Research Part A. Prof. Zaly is the National President of the Chartered Institute of Logistics and Transport (CILT) Malaysia and International Vice President for Southeast Asia. He also serves on the Board of Directors of the Johor Public Transport Corporation.

Dr. Mark Yong Moderator

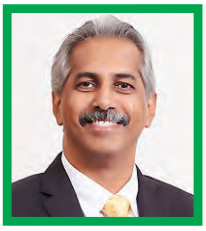
Co- Founder, FlatWorld Associates, Hong Kong

Mark began in the field of Molecular Biology, earning a Degree and Doctorate from Liverpool University and Oxford University respectively. Mark then transitioned to the shipping industry, where he held key roles at P&O Containers and P&O Nedlloyd. Mark's career path evolve as he ventured into e-commerce, serving as Director of Business Development at Alibaba.com. His passion for innovation and technology led him to INTTRA. In 2008, Mark joined BMT, an engineering consulting company, overseeing the shipping, ports and environmental development activities in the Asia-Pacific region. He then joined Blume Global, a supply chain optimization platform in 2019. Mark joined Avathon (previously SparkCognition) in 2024, as Managing Director APAC & EMEA. Mark recently set up FlatWorld Associates, a Supply Chain consulting firm, focused on Digital/AI strategy and critical Infrastructure Design, planning and optimization. Mark is deeply committed to nurturing growth of the younger generation through mentorship and industry advocacy. In 2024, Mark was awarded the Honorary Fellow Prize by the Supply Chain Asia Organization.

Reshma Yousuf Moderator

Director, CLLB Sdn Bhd (Centre for Logistics Leadership in Business) and President, Women in Shipping & Trading Association (WISTA), Malaysia

Reshma Yousuf FCILT is a logistics and maritime leader with over 20 years of experience in shipping, dangerous goods (DG) logistics, and supply chain transformation. She is the Founder and Principal Consultant of CLLB Sdn Bhd, a consultancy and training firm specializing in regulatory compliance, intermodal operations, and sustainable logistics across ASEAN. Reshma serves as Deputy Chairperson of Global WiLAT, advancing leadership and diversity initiatives in more than 60 countries. She is also the Founding President of WISTA Malaysia, fostering collaboration across the maritime and logistics sectors. A respected speaker and moderator, Reshma is known for connecting complex regulatory and operational challenges with practical industry solutions, particularly in intermodal transport, dangerous goods compliance, trade facilitation, risk management, and sustainable supply chains.



Captain K. Subramaniam
