# Mauritius Shipping Corporation Ltd

Dear Valued Colleague,

2<sup>nd</sup> MAURITIUS MARITIME WEEK 2022  
Exhibition and Conference  
Tuesday 13 to Thursday 15 December 2022  
Ravenala Attitude Hotel, Mauritius

To provide a networking opportunity between foreign and local investment in the Indian Ocean region, the Mauritius Shipping Corporation Limited is delighted to host the 2<sup>nd</sup> Mauritius Maritime Week 2022 Exhibition and Conference taking place at the luxurious 5-star Ravenala Attitude Hotel, Mauritius from Tuesday 13 to Thursday 15 December.

Holding this event in Mauritius will promote Indian Ocean ports, shipping and transport logistics infrastructure to foreign direct investment and international trade.

A two days Conference Programme will feature 30 world-class conference speakers addressing topical issues and challenges for West Africa's transportation and logistics infrastructure attended by a gathering of 300 senior executive harbour masters, harbour engineers, port engineers, maintenance supervisors and procurement decision makers together with the region's leading shippers, cargo owners, importers / exporters, shipping lines, freight forwarders, logistics companies, ports, terminal operating companies, railway operators, port equipment and services suppliers from countries from Europe, the Middle East, Africa and Asia.

There will be the commercial opportunity for a limited number of 40 exhibitors and sponsors to network directly with delegates at this major annual international maritime transport Exhibition and Conference trade event.

You are invited to reserve your first choice of exhibition stands on the Exhibition Floorplan and register a conference delegation while there is still some availability!

We look forward to welcoming you to our beautiful Mauritius and to your participation during the 2<sup>nd</sup> Mauritius Maritime Week 2022 Exhibition and Conference taking place at the luxurious 5 star Ravenala Attitude Hotel, Mauritius from Tuesday 13 to Thursday 15 December.

Yours sincerely,

  
K. Lalsing  
Managing Director

# MEET THE SPEAKERS

**Victor Timmermans**  
**Director Projects, MTBS (Maritime & Transport Business Solutions), the Netherlands**

Mr. Timmermans is an experienced international port advisor, well versed in Public-Private Partnerships from both the public and the private sides' perspective. He has more than 20 years of experience in the maritime sector. He has extensive experience in many port (privatisation) projects in both The Netherlands and abroad such as in Europe (especially North-Western Europe, Baltic region and Black Sea area), Africa (North Africa, Sub Saharan Africa and Eastern Africa) and North America. Among his clients are both public bodies like port authorities, ministries, IFI's and private companies like terminal operators, shipping lines, commercial banks and infrastructure funds. This dual background in both the private and public sectors provides for a balanced approach to PPP and concessions matters when advising clients on port-related projects and policies. Before joining MTBS, Mr. Timmermans worked for the Project Organisation Maasvlakte 2 (part of Port of Rotterdam Authority) as Director Business Development. He was responsible for canvassing new clients for this 2000-hectares land reclamation project in the port of Rotterdam. In the tender procedure for attracting the launching customer for Maasvlakte 2 he was member of the Selection Board and headed the financial team. Rotterdam World Gateway - a consortium with Dubai Ports, APL, Mitsui OSK Lines, Hyundai Merchant Marine and CMA CGM - won the concession for a 4 million TEU container terminal. Prior to this position, Mr. Timmermans worked for the Port of Rotterdam Authority as Senior Business development manager. In this function he was responsible for the warehousing & distribution market within the port of Rotterdam. He was also regional manager for the North-American market (USA & Canada). Mr. Timmermans holds a MSc degree from the Erasmus University of Rotterdam (Business Economics / Marketing Management).

**Dr Drishty Ramdennee**  
**Director, Emerging and Services Sector, Economic Development Board (EDB), Mauritius**

Drishtysingh Ramdennee (Drishty) is the Director of the Emerging/Services directorate at the Economic Development Board in Mauritius which oversees a portfolio comprising ocean economy (seaport related activities, marine services, fishing, bunkering), energy, ICT, education. Drishty is the author of more than 50 scientific publications and has co-authored the book 'Advances in Wind Power'. Drishty has a Ph.D. in engineering and has been a three-time recipient of the University entrepreneurship Award for the Bas St Laurent region (Canada). He also won the national level Force Avenir award for Science and Technology in 2012.

**Sandesh Seelochun**  
**Director, Port Development, Mauritius Ports Authority, Mauritius**

Sandesh SEELOCHUN is the Director, Port Development at the Mauritius Ports Authority and reckons 26 years of experience in port planning and development. Since joining the Mauritius Ports Authority in 1996, he has been extensively involved in all the major port planning and development that have taken place over the years at Port Louis, including the development of a container terminal, planning and development of port infrastructure, the setting up of an inter-island passenger terminal, development of a new harbour radio tower, construction of a dedicated oil jetty, various dredging and land reclamation exercises, the planning and development of the international cruise passenger terminal, planning and design of a dedicated fishing port complete with breakwater structures. He has also been extensively involved in various port masterplanning and land use planning studies and in feasibility studies including the techno-economic feasibility study for the development of an island terminal at Port Louis. He holds a Master's Degree in Industrial and Civil Engineering and a Master's Degree in Business Administration with specialisation in Project Management. He is a Registered Professional Engineer with the Council of Registered Professional Engineers of Mauritius; a Fellow Member of the Institution of Engineers Mauritius, a Fellow Member of the Chartered Institute of Logistics & Transport (UK) and an Associate Member of the Chartered Institute of Arbitrators (UK).

**Elias Mwenyo**  
**Executive: Commercial Services, Namibian Ports Authority, Republic of Namibia**

Elias Mwenyo is the Executive Commercial Services of the Namibian Ports Authority also commonly known as Namport. He was part of Namport's evolutionary journey of primarily serving the Namibian fishing industry to fully driving the maritime logistics network along the west coast of Africa and the SADC hinterland connectivity.

**Digu //Naobeb**  
**Chief Executive Officer, Namibia Tourism Board, Namibia**

Digu //Naobeb is the Chief Executive Officer for the Namibia Tourism Board, which is mandated to regulate Namibia's tourism industry, but equally to market Namibia as a tourism destination both in Namibia and beyond its borders. Prior to joining Namibia Tourism Board, he was the Executive Director for the Indigenous Peoples Business Council where he was responsible for forging partnerships with the local and international funding communities, as well as establishing networking and collaborative multi and cross- institutional linkages with the NGOs and Business Chambers. Main aim of the Council was to lobby for the creation of the competitive environment for Black people to be able to engage in various industry sectors within Namibia. He also worked as the Head of Department for the Hotel and Tourism School at the Polytechnic of Namibia, where he was instrumental in establishing travel and tourism degree curricula, which was later accredited by the Higher Education Council of South Africa serving as a springboard for Namibian graduates to pursue postgraduate further studies in South Africa. He was also instrumental in the creation and development of the Hotel school itself. Digu //Naobeb holds an M.Sc in Tourism Management from University of Surrey, UK; a B.Sc majoring in Botany and Zoology from the University of Namibia, a Postgraduate Diploma in Business Management from the University of Natal and a Senior Management Development Programme from the University of Stellenbosch.

**Omprakash Singh**  
**Business Development Manager, Wartsila Voyage, United Kingdom**

Omprakash Singh sailed on Merchant ships with over 16 years of sea going experience which includes around 3 years in Command. Have done onboard ship audits and managed Container Freight Station before moving to technology at a time when shipping industry is entering into the digital era of connected solutions. Have been with Transas/Wartsila for nearly 9 years involved in multiple onboard ship and onshore projects including ongoing upgrade of Mumbai & JNPT port Vessel Traffic Management System plus Port Management Information System.

**Simon Gouranton**  
**Country Manager-Mauritius-International Development, OCETRA, Mauritius**

Simon is originally from France, more precisely from Brittany. After his studies in literature and communication, he went into the hotel business. At the age of 20, he left France for Australia, where he worked as a lumberjack before moving into the building and civil engineering industry. He then moved into the maritime world where he worked in boat maintenance in Perth and as a commercial fisherman in Northwestern Australia. Simon built up his experience in France on large construction sites before exporting again to the Indian Ocean, before moving to La Reunion. Simon carries the same values as OCETRA which motivated him to participate in the development of the OCETRA project in Mauritius. He is currently the Country Manager at OCETRA in Mauritius.
