LATAM PORTS & LOGISTICS 2028

EXHIBITION AND CONFERENCE

25–27 April 2028 | San Salvador, El Salvador

23 September 2026

Dear Valued Colleague,

Unión Portuaria del Pacífico S.E.M. (UPdP), a mixed-economy company formed by the Comisión Ejecutiva Portuaria Autónoma (CEPA) and YILPORT Holding Inc., is pleased to announce that it will host LATAM PORTS & LOGISTICS 2028, an international Exhibition and Conference to be held in San Salvador, El Salvador, from 25 to 27 April 2028.

As the operator of the maritime terminals at the Ports of Acajutla and La Unión, UPdP is proud to welcome this important event to El Salvador at a time of significant transformation and investment in the country's port and logistics sector. The event will provide an excellent platform to strengthen regional connectivity, promote international trade, encourage foreign direct investment, and highlight the growing role of El Salvador as a competitive logistics hub for Latin America.

LATAM PORTS & LOGISTICS 2028 will bring together senior decision-makers and industry leaders from across the maritime, port, transportation and logistics sectors. The programme is expected to include representatives from shipping lines, cargo owners, freight forwarders, logistics companies, road and rail transport operators, port authorities, investors, consultants, port equipment manufacturers and technology providers from across the region and international markets.

The conference programme will address key developments and emerging priorities affecting the port and logistics industry, including infrastructure development, operational efficiency, sustainability, digitalisation, technology, regional connectivity and new opportunities for international trade. A concurrent exhibition will provide companies with a valuable opportunity to present their solutions, equipment, technologies and services to a specialised international audience.

Hosting LATAM PORTS & LOGISTICS 2028 also coincides with an important stage in the development of El Salvador's port infrastructure. UPdP continues to advance strategic initiatives at the Port of Acajutla and the Port of La Unión aimed at increasing capacity, improving efficiency and strengthening the country's position within regional and global supply chains.

We are therefore delighted to invite your organisation to participate in LATAM PORTS & LOGISTICS 2028 and to join us in San Salvador from 25 to 27 April 2028. We are confident that the event will create valuable opportunities for networking, knowledge exchange, business development and new partnerships across the Latin American port and logistics community.

We look forward to welcoming you to El Salvador and to your participation in LATAM PORTS & LOGISTICS 2028.

Yours sincerely,
