EXHIBITION AND CONFERENCE Tuesday 23 to Thursday 25 March 2027 Tay Ninh Province and Ho Chi Minh City, Vietnam

Dear Esteemed Delegates, Colleagues, and Partners:

In line with the Vietnamese government's Logistics Services Development Strategy for the period 2025–2035, with a vision to 2050, which aims to build a sustainable, efficient, high value-added logistics sector with strong competitiveness, we are proud to present a major regional event, the 25th edition of ASEAN Ports and Logistics 2025 Conference and Exhibition, to be held in Ho Chi Minh City, Vietnam, in March 2027.

This event will gather over 40 world-class conference speakers, focusing on sustainable development strategies and building a modern logistics foundation for the ASEAN transport and logistics industry. In addition, more than 300 senior executives representing ports, shipping lines, import-export enterprises, cargo owners, freight forwarders, and logistics companies from various ASEAN countries will attend, creating an international forum for networking, collaboration, and investment on a regional and global scale.

With the desire to foster connectivity and promote collaborative development in the ports and logistics sector, Long An International Port, one of the strategic and modern logistics hubs in Vietnam's Southern Key Economic Region, offering seamless connections to both domestic and international markets, is honored to serve as the Host Port of this event. We cordially invite you to participate in the program, as follows:
