Presented by Captain Richard W A Brough O.B.E., B.A. Director  
Thursday 30<sup>th</sup> September 2021

Why are cargoes abandoned and what could go wrong?

The cost of clean up can be enormous

How much  
did it cost  
to sort out  
this  
container?

An unknown source of radiation was detected in a container of scrap metal

Not abandoned but problematical if not packed and handled correctly

You do not want this happening on your terminal or ship
