

**The MOFED perspective - Providing
value added services to freight
and forwarding in Tanzania
via the port of Dar es Salaam**

**By David Chimfwembe, CEO
12th Intermodal Africa, Durban**

Introduction

- MOFED Tanzania Ltd is a wholly owned Company of the Zambian government. MOFED falls under the Ministry of Transport, Works, Supply & Communications.
- The Company was originally established in 2001 to meet the strategic needs of the Zambian government. Facility has been a common user one.
- Zambia being a land linked country needs to have a presence at major gateway ports such as Dar es Salaam.

Governance Structure

- **Board of Directors**
 - Total four Directors drawn from Ministry of Transport, Works, Supply and Communications (MTWSC), and Ministries of Finance and Commerce
 - Three Independent Directors drawn from the private sector
 - The Board is chaired by the Permanent Secretary from MTWSC.

Governance Structure (Continued)

- **Management**

- Chief Executive Officer supported by the Directors of Operations and Finance and the rest of management staff.

MOFED Tanzania Ltd staff compliment stands at 117.

Location

- MOFED Tanzania Ltd's corporate head office as well as Mukuba depot is strategically located at Kurasini Area, 1 km away from the Dar es Salaam dockyard.
- Liaison Zambia Office at Ndola
 - Link to Zambian customers with MOFED services through port of Dar es Salaam.

MOFED'S KEY STRATEGIC BUSINESS UNITS

- ❑ Inland Container Depot (ICD)
 - Extension of Dar es Salaam port

- ❑ Container Freight Station (CFS)
 - Export related services

- ❑ Clearing and Forwarding Services (CFS)

Why the MOFED Choice?

- ✓ Mukuba depot is the closest facility to the port and hence its official designation of ICD # 01.
- ✓ Facility is an intermodal one .i.e. served by rail and road.
- ✓ Facility is spacious (approximately 90,000 sq metres) to handle huge volume of cargo. Has both covered warehouse space and secure cages to store high value cargo such as minerals.
- ✓ Depot has sufficient equipment to handle bulk cargo, break bulk, containerized cargo.

Why the MOFED Choice? (Continued)

- ✓ Experienced staff to handle agricultural and mineral cargo.
- ✓ Service Commitment to clients – Development of Processes and Systems tailored to clients.
- ✓ 24/7 Security, perimeter wall fence with overhead light towers facilitating a 24 hour operation where required.
- ✓ Security cameras.
- ✓ Truck weighbridge.
- ✓ One Stop Shop Facility.

***Thank you,
Natotela,
Asante!!***
