Road connections

WILHELMSHAVEN
FREIGHT VILLAGE | CONTAINER TERMINAL

Freight Village & Container Terminal Wilhelmshaven is the best-connected container port to the hinterland in Germany

Free of congestion via **A29** to **A1** as the main motorway in all directions.

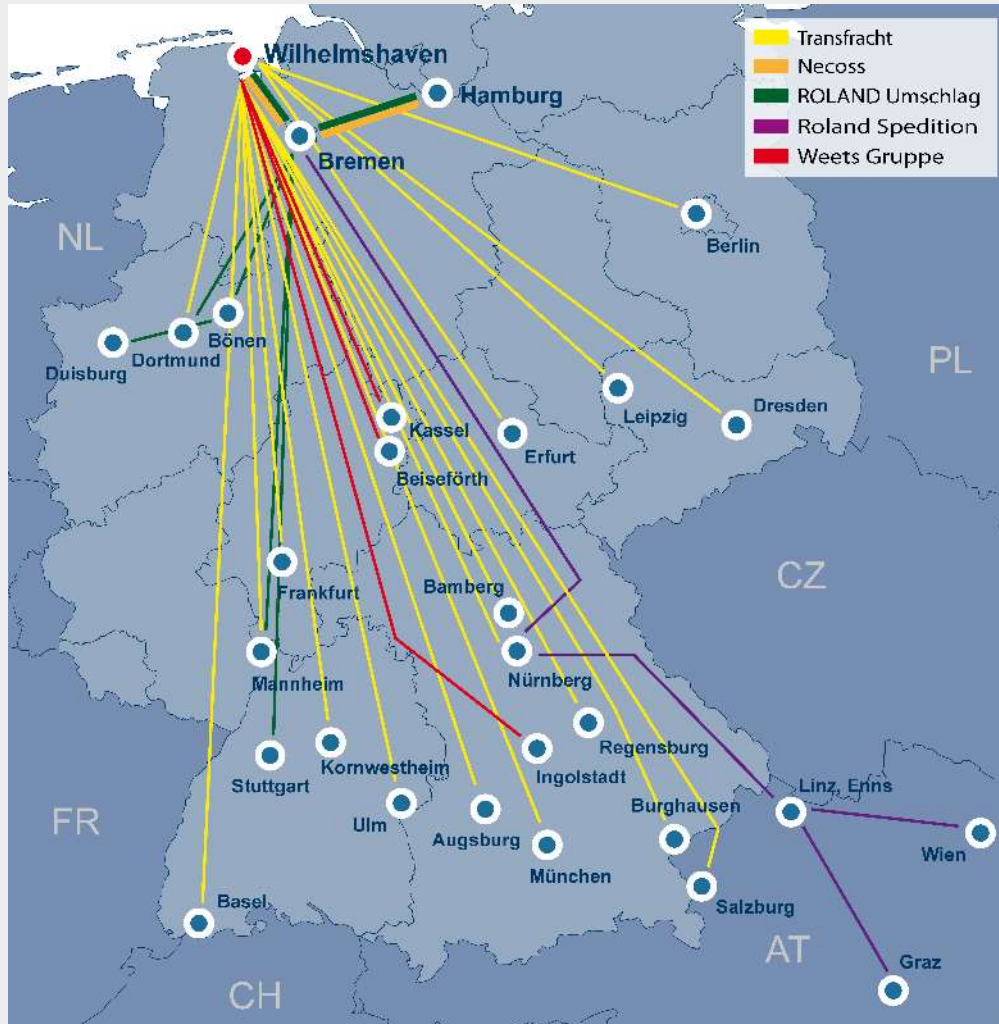

In less than 5 hours most of important logistics hubs can be reached.

Rail connections

WILHELMSHAVEN
FREIGHT VILLAGE | CONTAINER TERMINAL

Several weekly links enable a smooth container transport into the German hinterland. Austria and Switzerland are also well connected.

Iron Belt & Road Initiative

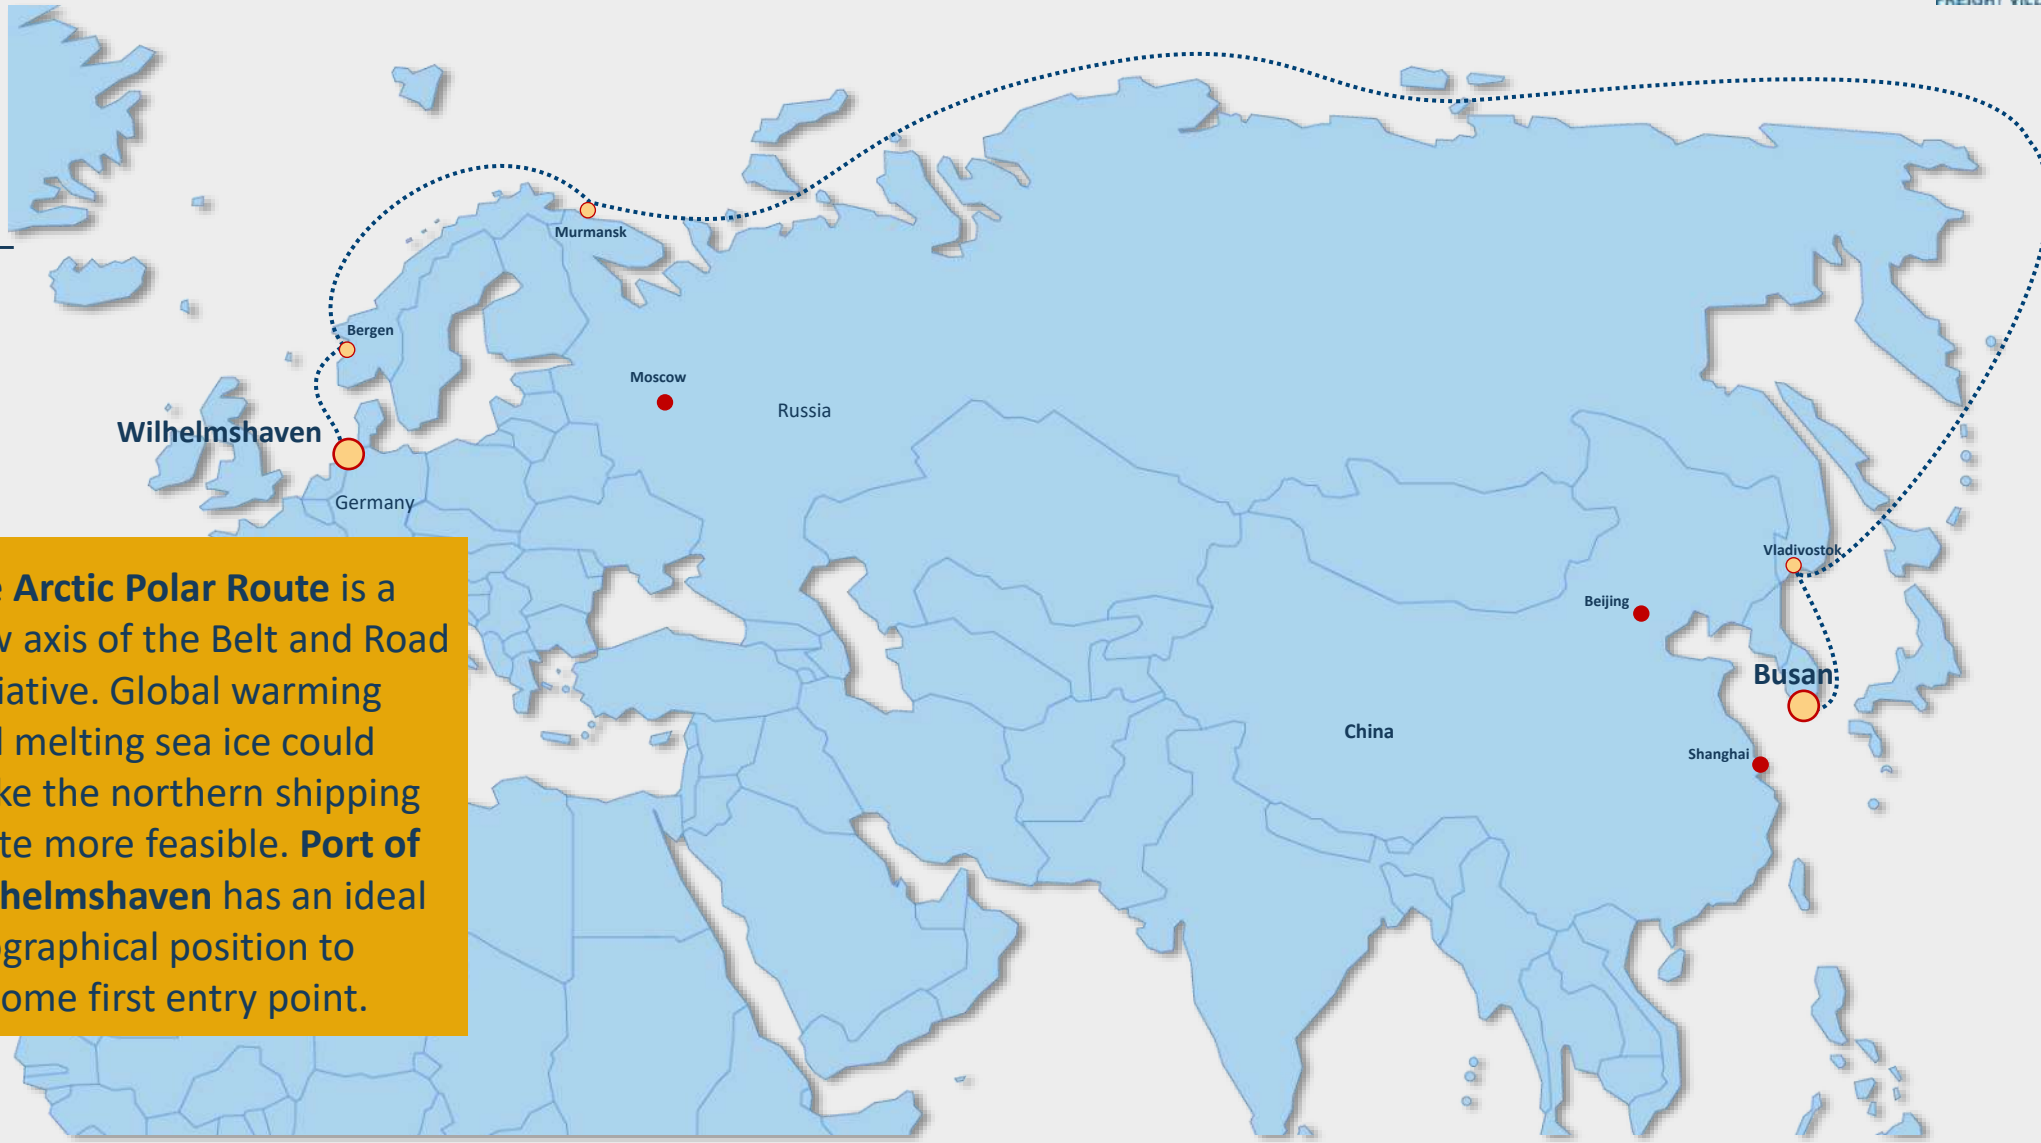

Since Juli 2021 we are part of the iron Belt & Road Initiative

- Connection between Provence Anhui and Lower Saxony.
- Monthly departures from Hefei – directly from the „Hinterland“ of Shanghai & Ningbo to Wilhelmshaven
- 15- 17 days Transittime
- Attractive rates in today’s spot market

Ice silk road Polar route between Asia and Europe

WILHELMSHAVEN
FREIGHT VILLAGE | CONTAINER TERMINAL

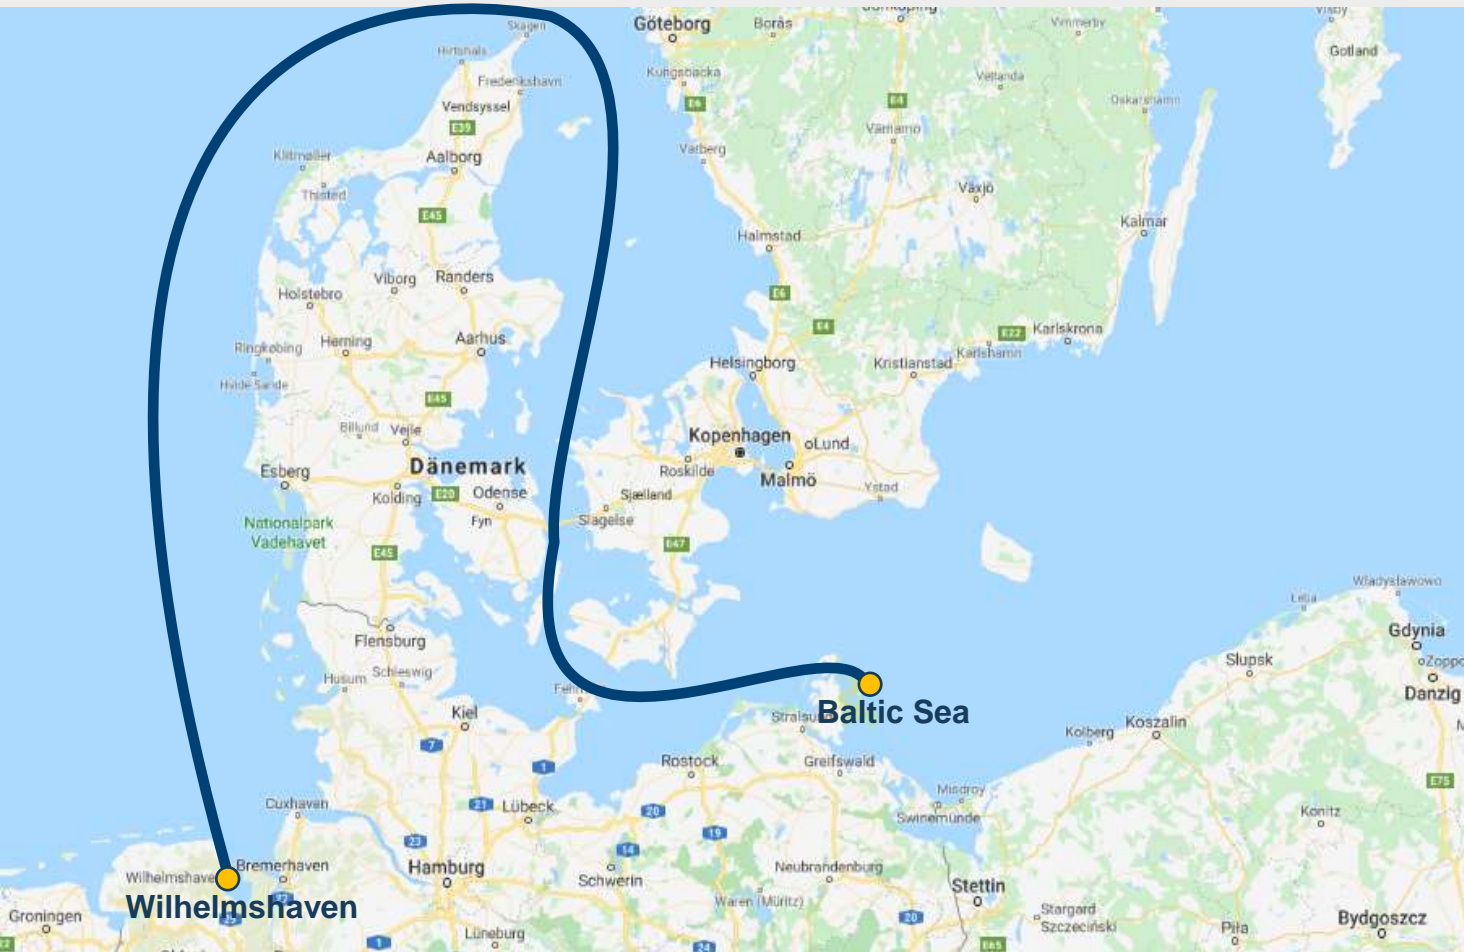

The **Arctic Polar Route** is a new axis of the Belt and Road initiative. Global warming and melting sea ice could make the northern shipping route more feasible. **Port of Wilhelmshaven** has an ideal geographical position to become first entry point.

The easternmost deepwater port in the Atlantic Ocean

WILHELMSHAVEN
FREIGHT VILLAGE | CONTAINER TERMINAL

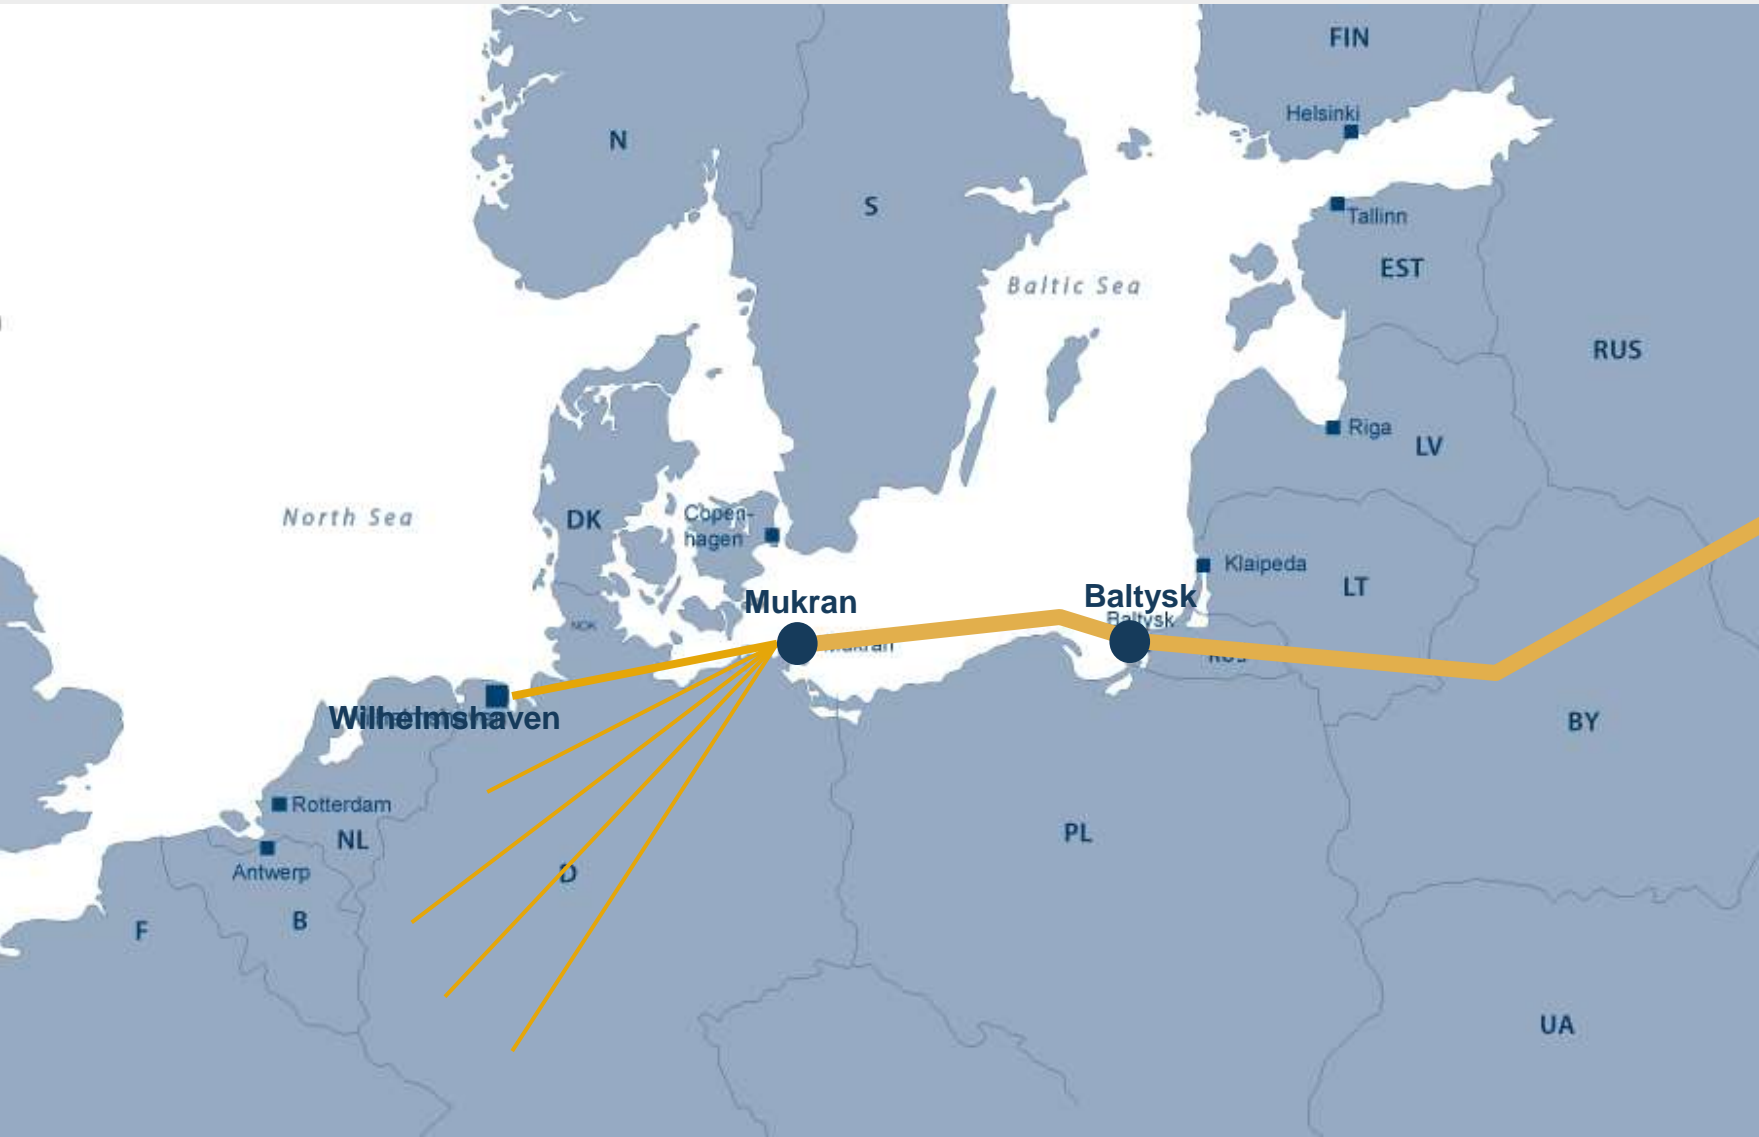

Fast access to the baltic, not limited by the Kiel Channel

Just an Idea... Mini-Landbridge connecting the most eastern port Mukran and the most western container port Wilhelmshaven

WILHELMSHAVEN
FREIGHT VILLAGE | CONTAINER TERMINAL

-Fast and reliable connection

-Avoid crowded places like Mala
