Mukuba Depot

An Intermodal Facility at Dar es Salaam Port

11:27 25/AUG/2015

The ZCL SOLUTION

- ❑ **Four Strategic Business Units that are under ONE ROOF – A ONE STOP SHOP**
 - Container Freight Services (CFS)
 - Inland Container Depot (ICD)
 - Clearing & Forwarding (C&F)
 - Transport

The ZCL SOLUTION

❑ Container Freight Services (CFS)

- Weighing of cargo and trucks
- Handling of all types of shipments whether these be bulk, break bulk or containerized cargo
- De-stuffing of cargo from containers
- Stuffing of cargo into containers
- Facilitation of assaying of mineral cargo with the clients' appointed assaying companies
- Issuances of Holding Certificates for mineral and agricultural related cargo.

THE ZCL SOLUTION

❑ Inland Container Depot (ICD)

- Collection of cargo from the port to our depot
- Handling of cargo namely bulk, break bulk or containerized cargo
- Facilitation of inspection of cargo by relevant authorities.

The ZCL SOLUTION

❑ Clearing & Forwarding (C&F)

- Supports CFS & ICD businesses
- The Company's footprint is also at Tunduma Border, Tanzania / Zambia border
- Port Clearance for import, export and transit cargo
- Customs Clearance for import, export and transit cargo
- Facilitation of shipment of cargo by sea from Dar es Salaam Port to other overseas ports and vice versa
- Cargo tracking

The ZCL SOLUTION

□ Transport

- Transportation of cargo by road from Port to ZCL facility as well as from ZCL to the Port
- Provision of road transportation from port to within Tanzania
- Transportation of cargo from Port to hinterland countries of Zambia, DRC and other related countries
- Transportation of cargo by rail from ZCL facility to hinterland countries and vice versa

The ZCL SOLUTION - Transport

Zambia Cargo & Logistics Ltd Clientele

- Metal traders of both pure metals, concentrates and mineral ores
- Agricultural commodity traders
- Manufacturers
- Clearing & Forwarding Agents
- Shipping lines

ZCL – Your real SOLUTION through the port of Dar es Salaam

- Shortest distance to the Port (1KM). Ease of delivery of cargo to and from the port.
- Inland Container Depot recognized as a port extension by the port authorities at the port
- Secure warehouse and storage cages.
- Security systems in place to safeguard your cargo 24/7.
- Weighbridge services with capacity up to 80 tonnes.
- Experienced staff able to handle all types of cargo i.e Project cargo, copper cathodes, motor vehicles, heavy duty machinery etc

ZCL – Your real SOLUTION through the port of Dar es Salaam

- Modern and sufficient equipment – for containerized, loose and bulk cargo
- Intermodal facility – serviced by both ROAD and RAIL transport modes.
- Provision of security escort to the port for sensitive cargo
- Fully licensed Inland Container Depot (ICD No 1) being the first depot in Tanzania to acquire this status.
- *Our rates are negotiable depending on the volume pledged by a client.*
- *Registered GROSS MASS VERIFIERS with Surface and Maritime Transport Regulatory Authority (SUMATRA) in compliance with International Maritime regulations.*

Thank you!!
