## Case studies

**"PRIMAVERA ERP IS OUR CHOICE DUE TO THE GREAT SYSTEM VERSATILITY,**

which allows us to **automatically manage and an integrated way all financial, commercial and operational information** generated in the various locations where we operate in Mozambique"

**Victor Fonseca**  
Financial Director, Galp Moçambique, Swaziland and Malawi

**"PRIMAVERA'S MANAGEMENT SYSTEM GIVES US FAST, SOLID AND TRANSPARENT FINANCIAL REPORTING, WHICH IS FUNDAMENTAL IN PUBLIC-PRIVATE PARTNERSHIPS.**

Since this is an integrated and comprehensive solution, we can **manage all company activities on the same platform**, from administrative, commercial and financial issues to staff management, **giving us greater control over the business.**"

**Bruno Lopes**  
Financial Director, Cabeólica

### Hariche Group

#### Business Sectors

\_Construction Materials and Steel  
\_Wholesale

#### Specific Fields of Business

\_Metalworking  
\_Construction Materials  
\_Wholesale Trade  
\_Retail Trade

#### Management Solutions

ERP

#### Main goals

- Standardise processes across the various group companies
- Integrate information from branch offices into a single system
- Optimise control over materials in the factory
- Boost efficiency in responding to orders
- Get integrated production management
- Simplify price and exchange rate management
- Streamline human resource management processes
- Monitor sales figures in real time
- Access the group's consolidated information

#### Solution

- Integration of the production management solution in the ERP and incorporation of a reporting app

#### Benefits

Elimination of redundant administrative processes

"The PRIMAVERA solutions have clearly been beneficial for the reporting process; they have utterly simplified the group's management control and increased Hariche's overall efficiency. From an administrative point of view, the gains in efficiency are around 90%."

*Hariche Anqutsandis,*  
CEO, Hariche Group

## M.I.P.

PRIMAVERA Implementation Methodology (MIP) arises as the result of a strategy that has been developed by PRIMAVERA to create the appropriate structures and processes for the implementation of the ERP Solutions.

MIP is based on good international practices such as the PMBOK and is optimized according to the accumulated experience of implementation projects of PRIMAVERA Consulting teams.

# BEST PRACTICES

## CHOOSING YOUR SERVICE PROVIDER

### Purchase a software that adjusts to your business not the opposite

- ✓ Ensure that the software can be tailored to your business needs
- ✓ Focus on system features not cost
- ✓ Compliance with tax and legal requirements

### How

- Define the system's Terms of reference
- Request a Software demonstration
- Evaluate implementation team's know-how and references

The screenshot displays the 'PRIMAVERA Fiscal Reporting' application window. The title bar indicates 'Modelo A - Standard - September - 2016'. The main content area shows a tax declaration form for Mozambique, titled 'DECLARAÇÃO PERIÓDICA MODELO A'. The form includes fields for the taxpayer's name, address, and tax identification number (40029895). It also shows a table for 'APURAMENTO DO IMPOSTO RESPECTANTE AO PERÍODO A QUE RESPISTA A DECLARAÇÃO' with columns for 'TIPO DE OPERAÇÕES', 'BASE TRIBUTÁVEL', and 'IMPOSTO A FAVOR DO SUJEITO PASSIVO'. The table contains data for three types of operations, with a total tax amount of 425,00.

TIPO DE OPERAÇÕES	BASE TRIBUTÁVEL	IMPOSTO A FAVOR DO SUJEITO PASSIVO
1. Transmissão de bens cuja produção de serviços efectuada pelo agente passivo (campo 03) e respectivo imposto liquidado (campo 02). À taxa de 9% (art. 18.º da CIVA).	01 2.500,00	02 425,00
Isentas	03 0,00	
Op. que não conferem direito a dedução	04 0,00	
2. Imposto dedutível respeitante a transmissões de bens e produção de serviços efectuadas ao sujeito passivo directo.		05 0,00
Isenções (Campo 05)		06 5.100,00

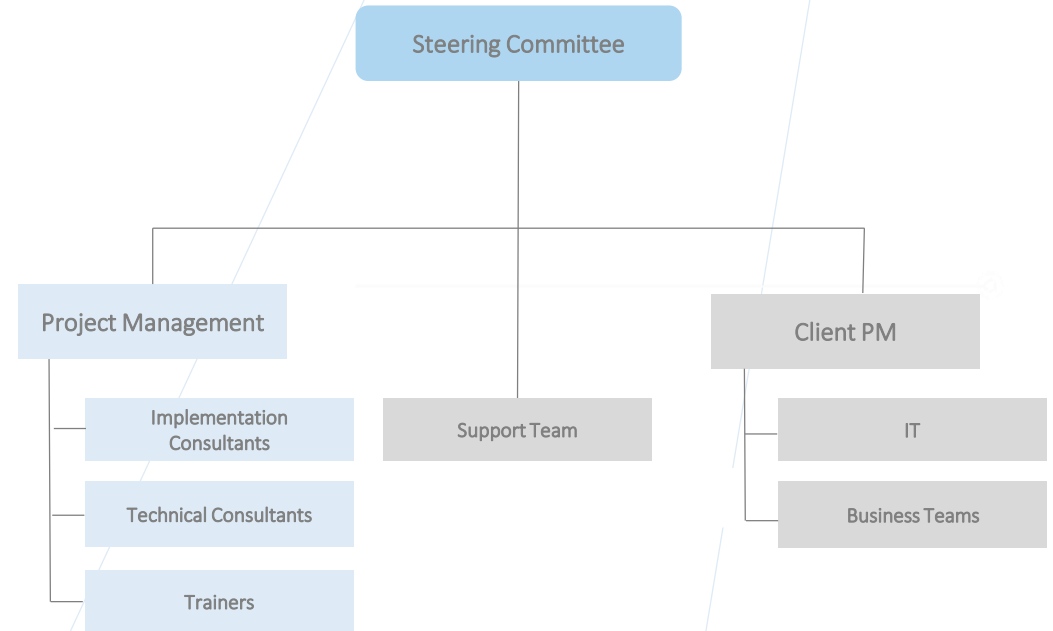

# BEST PRACTICES
