

Importance of Digitalization in logistics

**By Gubenko Vadim
Riga 26/09/2018**

Not so long ago....

GONE!

And now....
Smart Phone's
Applications Free of charge
App – no need to go
Couriers
Social networks

Where we are – in Baltics

+

- SKLOIS
- EDI
- Ability to print OBL's
- Automated port entrance tracking

-
- Paper work (bill of lading etc.)
- email
- Phone calls
- Payments
- Manual information input

What's New in the World

- **Bank card payments (e-payments)**
- **Bookings via app**
- **Instructions online**
- **Blockchain technologies**
- **Customer friendly apps (20/40,)**
- **Autonomous cargo ships**
- **RFID**
- **Fully automated Terminals**

What's important for the final consumer
