YILPORT TÜRKİYE

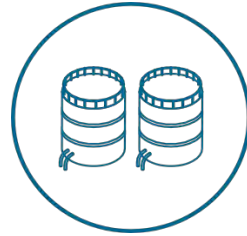

In the HEART of Turkish Industry and Trade

Container:
3.000.000 TEUs

General Cargo:
25.000.000 Tons

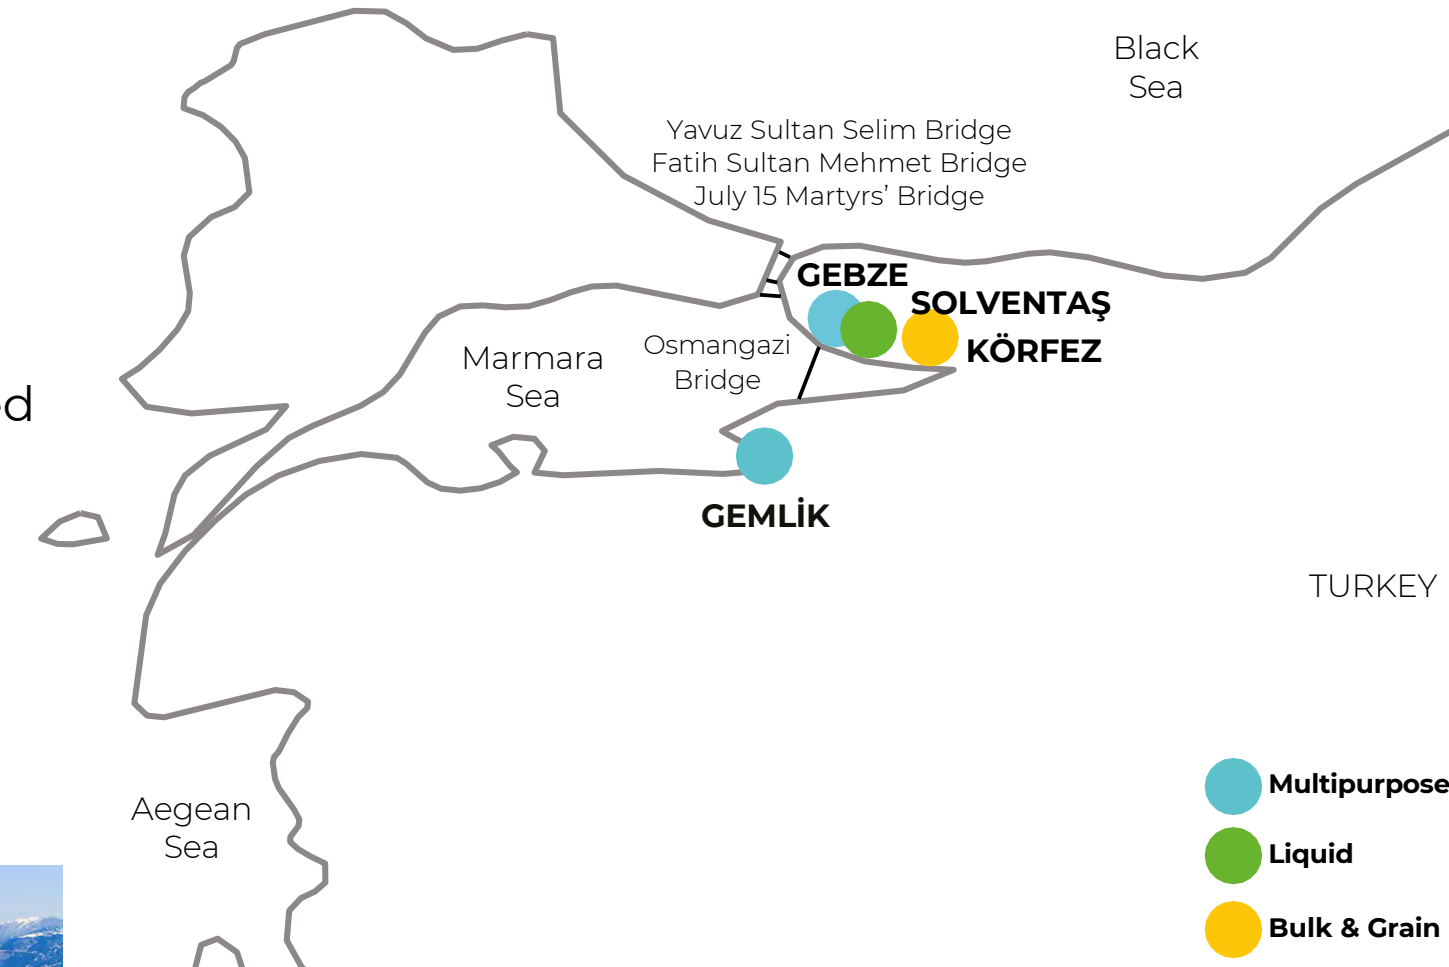

Liquid:
4.520.000 M³

Ro-Ro:
650.000 CEUs

Located in the Marmara region, YILPORT's multipurpose Turkish terminals offer the best solutions among local competitors. Each terminal is located at different coasts of the Marmara Region. All of them are located in the hearts of industrial zones. The terminals are closely connected to the main highways offering easy access.

Terminals all utilize bonded and non-bonded areas, and warehouses, supported by end-to-end logistic services. YILPORT Turkey's terminals in Marmara offer customers entire import and export operations 24/7 with the famous YILPORT discipline and global know-how.
