

Growing integrated and resilient logistics in Saudi Arabia

Goh Seng Lee
Chief Operating Officer
Saudi Global Ports, Dammam and Riyadh

25 January 2024

The Middle East transport and logistics sector is expected to transform rapidly

2014

(2012) Saudi Global Ports
Terminal 2

2015

**(2012) Saudi Global Ports
Terminal 2**

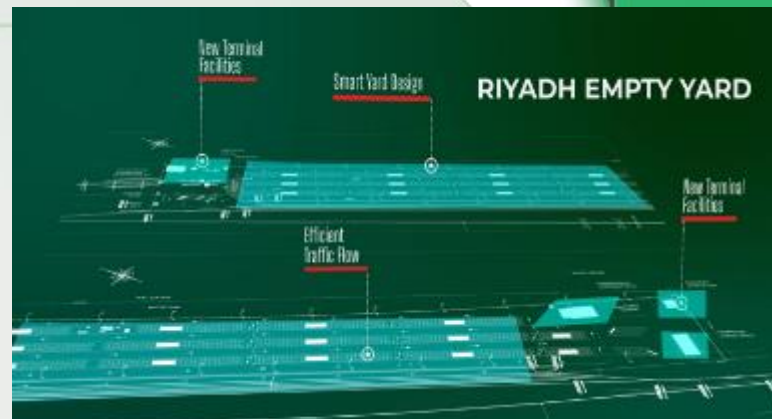

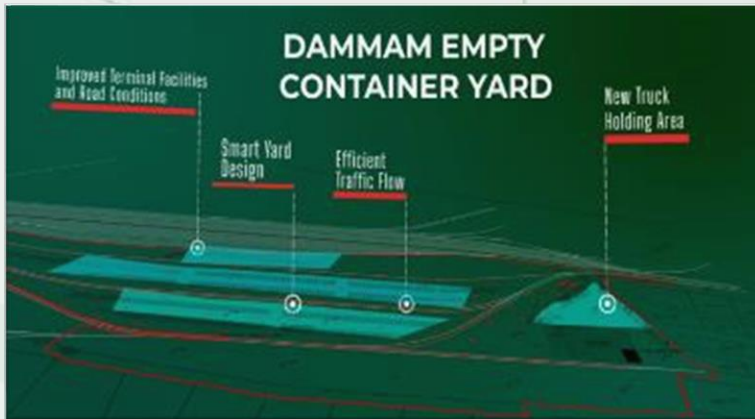

**(2020) Saudi Global Ports
Terminal 1**

2022

Going *beyond ports* to develop a resilient and sustainable integrated logistics ecosystem

Collaborating on intermodal cargo orchestration across Saudi Arabia

Integrated network, data inter-link providing visibility and optimisation

Sea-rail-road integration with Deliberate Infrastructure considerations
Terminal 1: 50 wagons parking capability
Terminal 2: 75 wagons parking capability

Service excellence through partnerships with service providers and terminal operators across the Kingdom

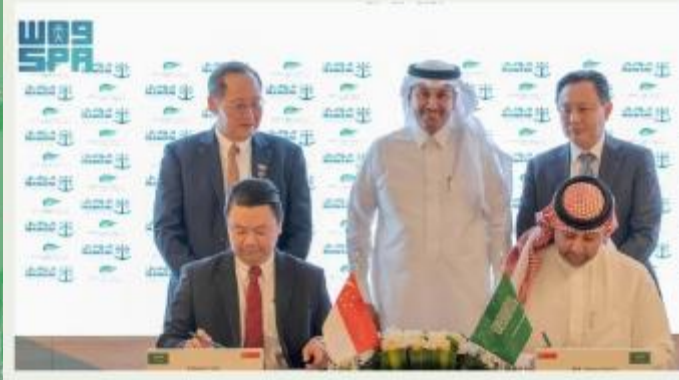

Raising Saudi Arabia's prominence as a global and regional supply chain and logistics hub

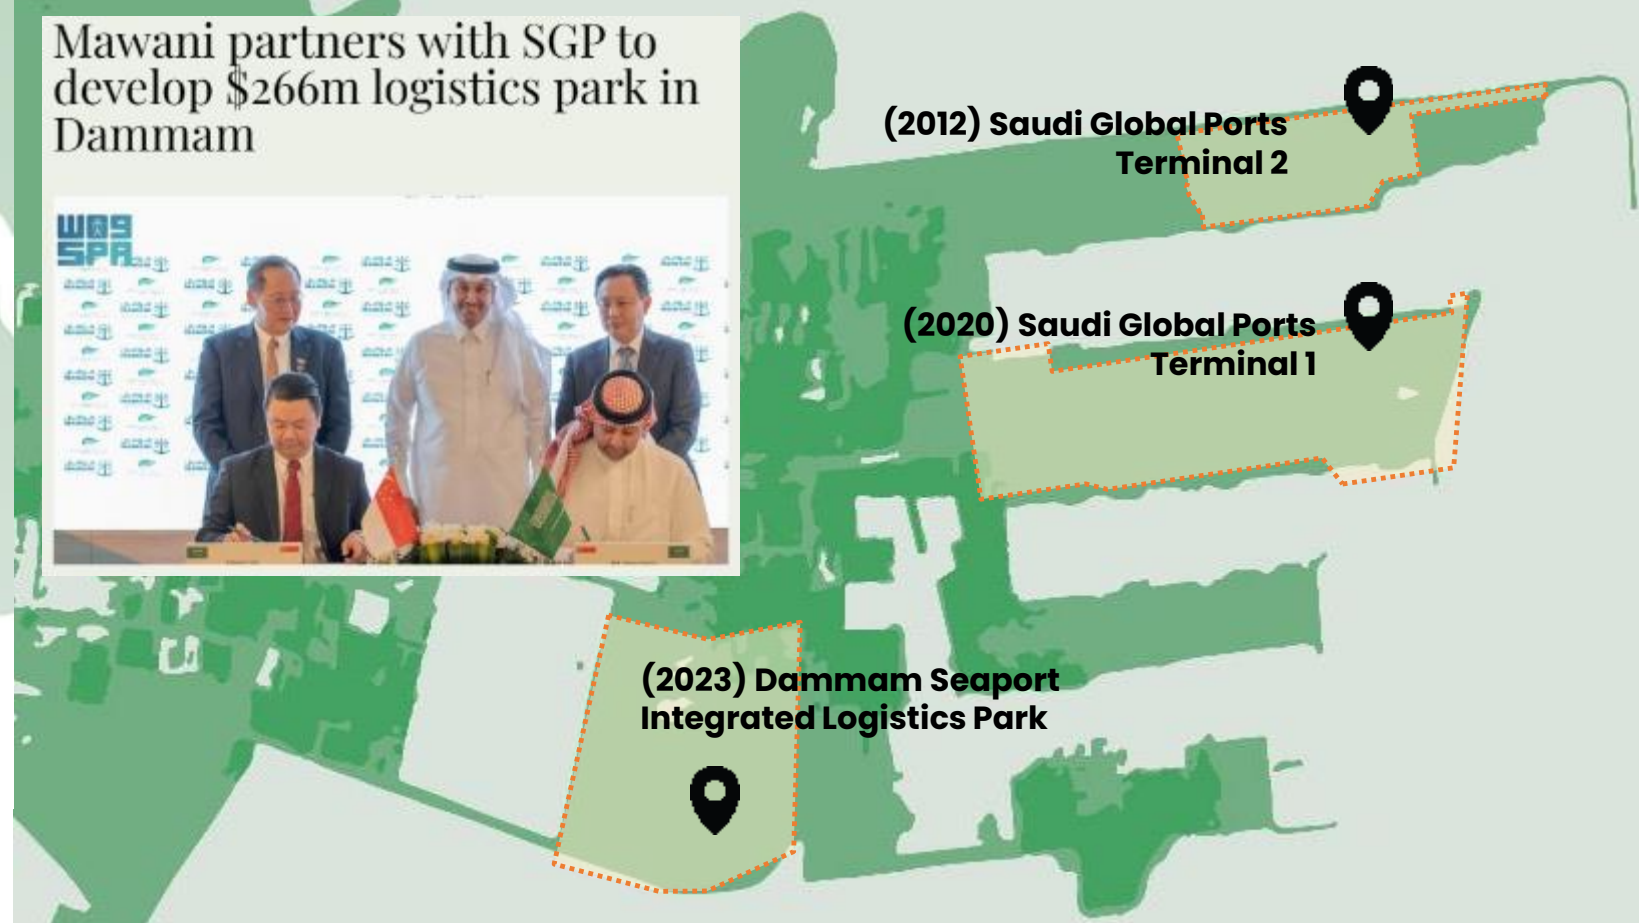

Saudi Global Ports Overview

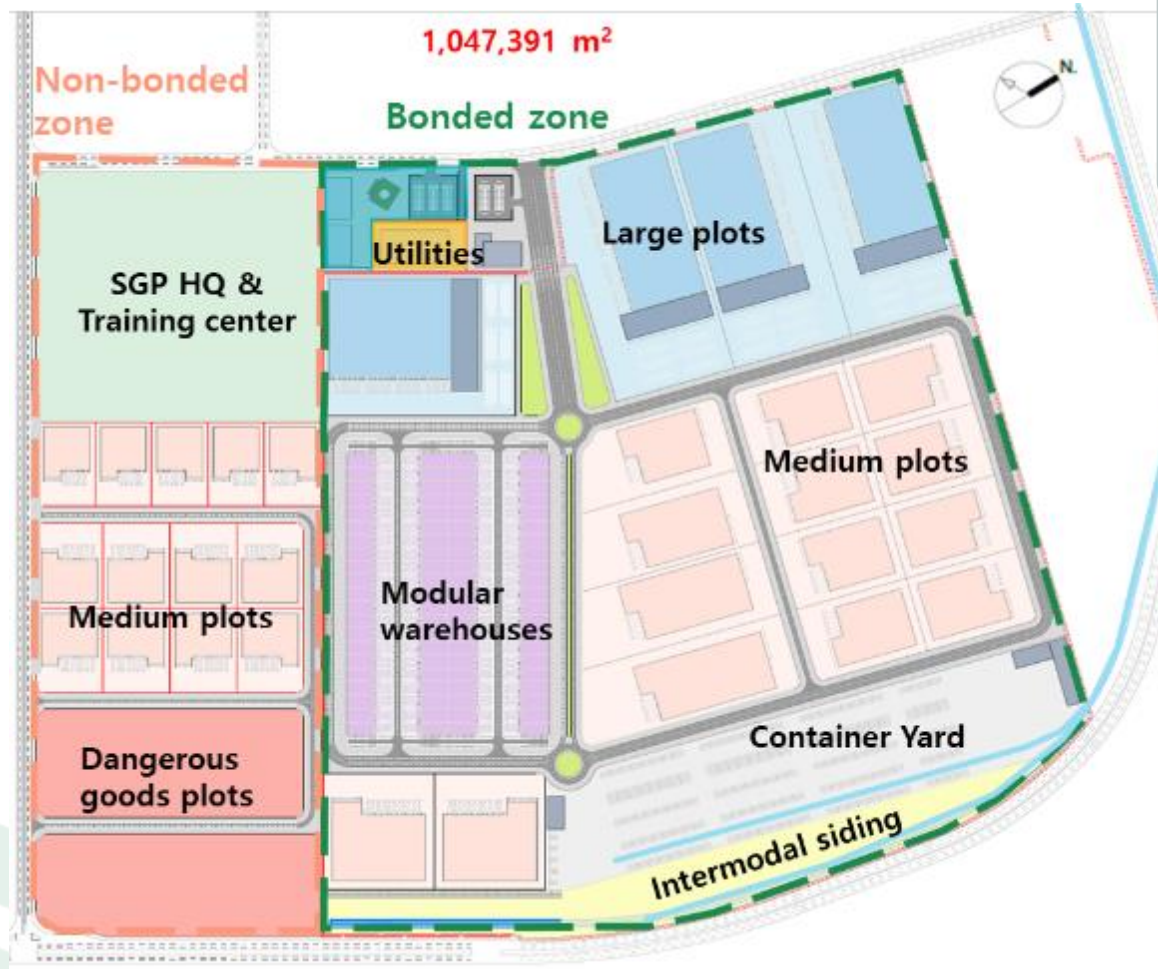

Mawani partners with SGP to develop \$266m logistics park in Dammam

Saudi Global Ports (Dammam Seaport)

Future of Logistics in Saudi Arabia: Dammam Seaport Logistics Zone
