BERGÉ, WE ARE LOGISTICS

Committed with development

Bergé y Cía

Bergé has the support of Bergé y Cía., one of the main corporate groups in Spain

Incorporated in 1870 as stevedore Company and ship agent, nowadays we have an extended international projection with presence in maritime and port sectors, vehicle distribution, logistics and financial activities.

Our teams have more than 4,000 professionals and we are present in 12 countries.

We integrate the whole chain value to transport and easy the movement of the full scope of commodities.
