

**OMG MGM**

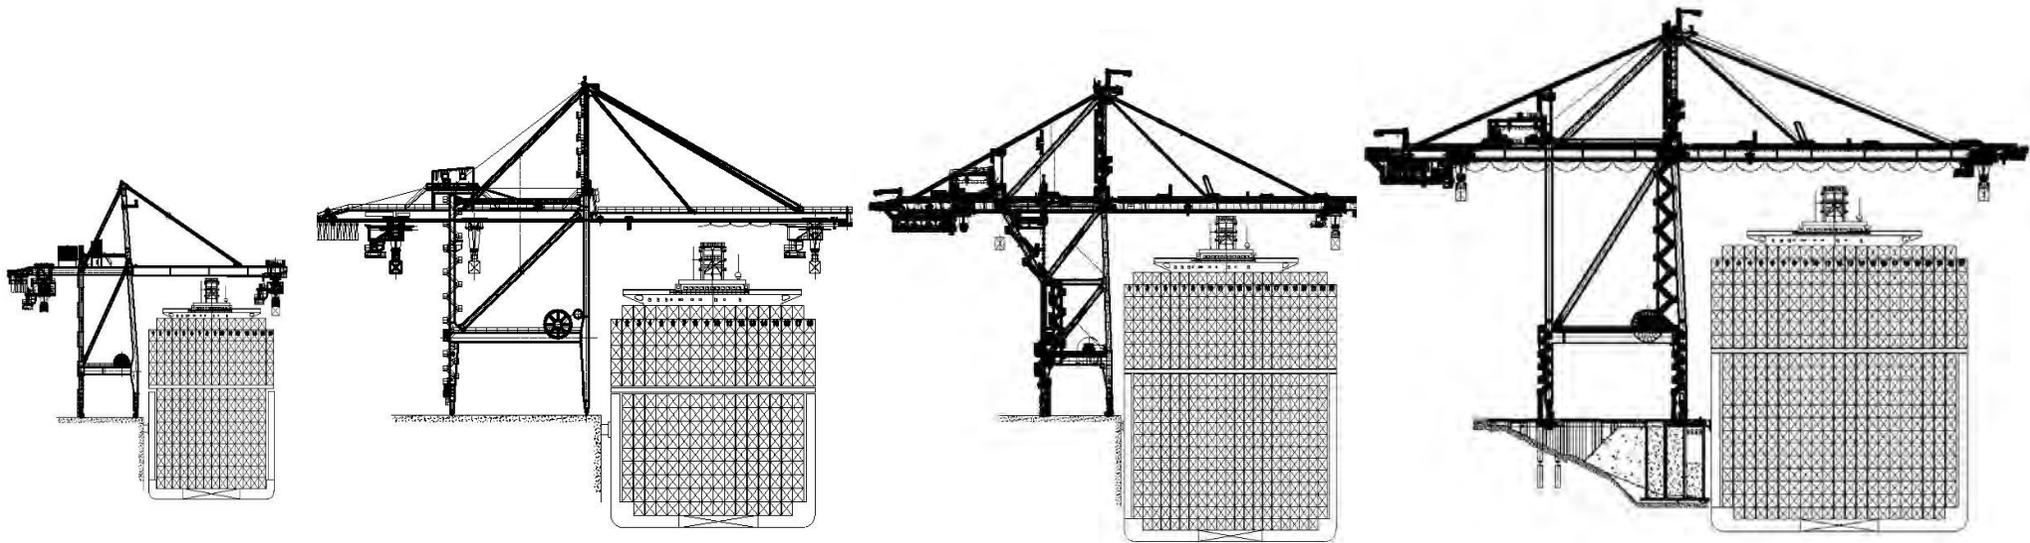

*NEW LIFE AND NEW LINE FOR PORT HANDLING EQUIPMENT:  
OMG- MGM REVAMPING AND SPECIAL CRANES*

- Born in XIX century
  - energy production
  - bridges, steel structures, lock gates, hydraulic and naval equipment
- At the close of the XX century
  - container handling equipment, water screen systems
  - screening units for nuclear, thermal and hydraulic power stations

*Immagini di reparti a Battaglia Terme, Sassona e Bergamo negli anni '50 e '60.  
A destra, Battaglia Terme negli anni '50*

- **1973 First Nuclear Polar Crane** installed in Caorso (Pc) Italy
  - 40 m Diameter
  - 100 Tons
  - 360 degree circular movement
- **1979 IHI Corporation (Japan)** provided OMG with the authorized license for the conception and manufacturing of the first Ship to Shores in Felixstowe Port (1980)

**1972**  **1995**  **2013**  **2016**

**Port of Fujaira**      **FREEPORT Bahamas**      **LSCT La Spezia**      **EUROGATE Limassol**

# BEDESCHI IN THE WORLD

**ONT** **CAMI**

**BEDESCHI HANDLING** **BEDESCHI**

**OMG MGM**

- 360 employees
- More than 50,000 m<sup>2</sup> of covered manufacturing facilities in 3 different locations, a total surface of more than 70,000 m<sup>2</sup>
- Comprehensive Welfare Plan: **B-for Family** and **B-for People** for a better and stronger stakeholders relationship.
- Continuous staff training to constantly improve our outstanding service to the Customers

# THE GROUP

## Diversification

- Heavy Clay Industry
- Bulk Materials
- Marine Logistics
- Mining
- Gas Cleaning
- Container Logistics

## Engineering

- Feasibility study
- Basic engineering
- Complete green field/turn key installation

## Workshop

- All manufacturing carried out in the Company state-of-the-art workshop in Italy

## 100 Years Young

- Complete quality control
- Highest product reliability

**KEY PEOPLE****ENGINEERING:**

- Menesello Roberto – since more than 30 years
- Chiara Limena – since more than 10 years
- Benetello Dino – since more than 30 years
- Memo Vanni – since more than 30 years
- Pizzocaro Davide – since more than 10 years
- Luca Dipasquale - since more than 10 years

**QUALITY CONTROL:**

- Paolo Malatesta (QC)- since more than 30 years

**SALES:**

- Pollonio Carlo – since more than 10 years
- Mestriner Massimiliano – since more than 10 years

# Trieste Marine Terminal, 2013-2014: the fastest revamping ever.

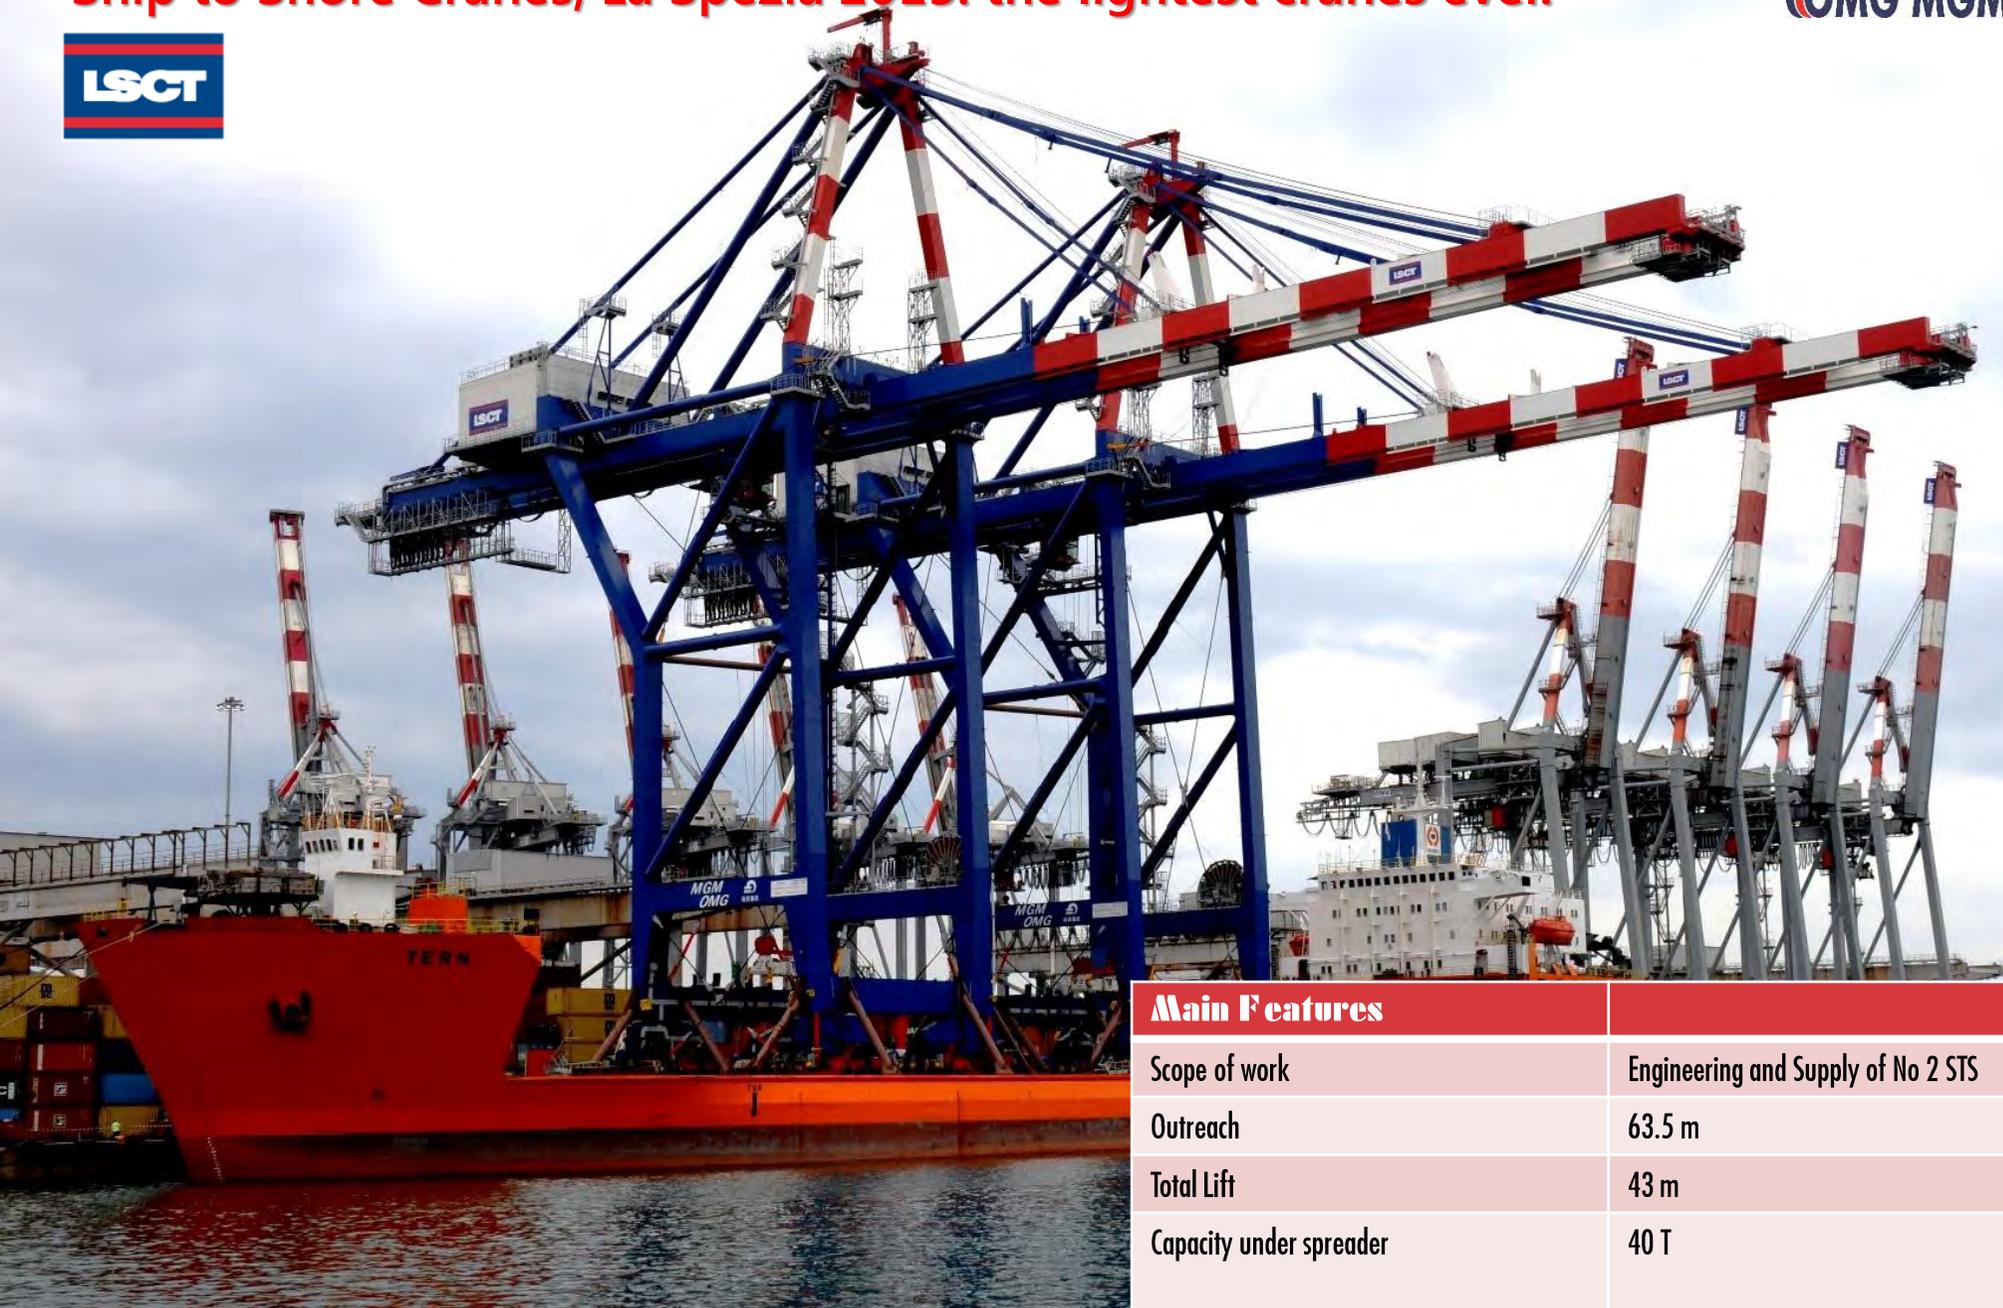

| Main Features    | Before and after revamping       |
|------------------|----------------------------------|
| Scope of work    | Revamping of existing STS crane  |
| Total hoist lift | from 47 m to 54 m under spreader |
| Boom lenght      | from 18 row to 20 row            |
| Main hoist       | from 10 to 15 tons               |

# Ship to Shore Cranes, La Spezia 2015: the lightest cranes ever.

OMG MGM

| Main Features           |                                    |
|-------------------------|------------------------------------|
| Scope of work           | Engineering and Supply of No 2 STS |
| Outreach                | 63.5 m                             |
| Total Lift              | 43 m                               |
| Capacity under spreader | 40 T                               |

# Rubber tyred Gantry Cranes, Mauritius 2017: the greenest RTGs ever.

| Main Features                 |   |
|-------------------------------|---|
| Scope of work                 | Engineering and Supply of No 6 RTG cranes |
| Span                          | 23,50 mt.                                 |
| Lifting height below spreader | 18,13 mt.                                 |
| Wheels                        | 8   |
| Nominal load                  | 41 t. under spreader                      |

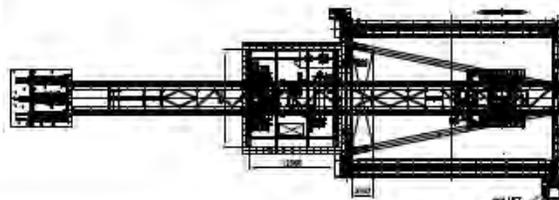

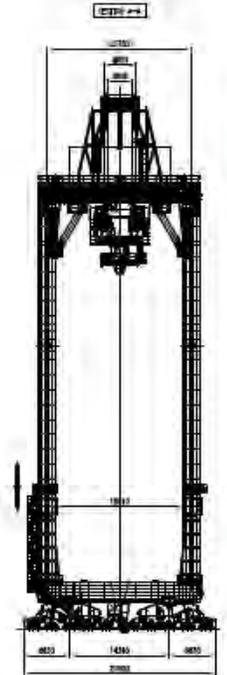

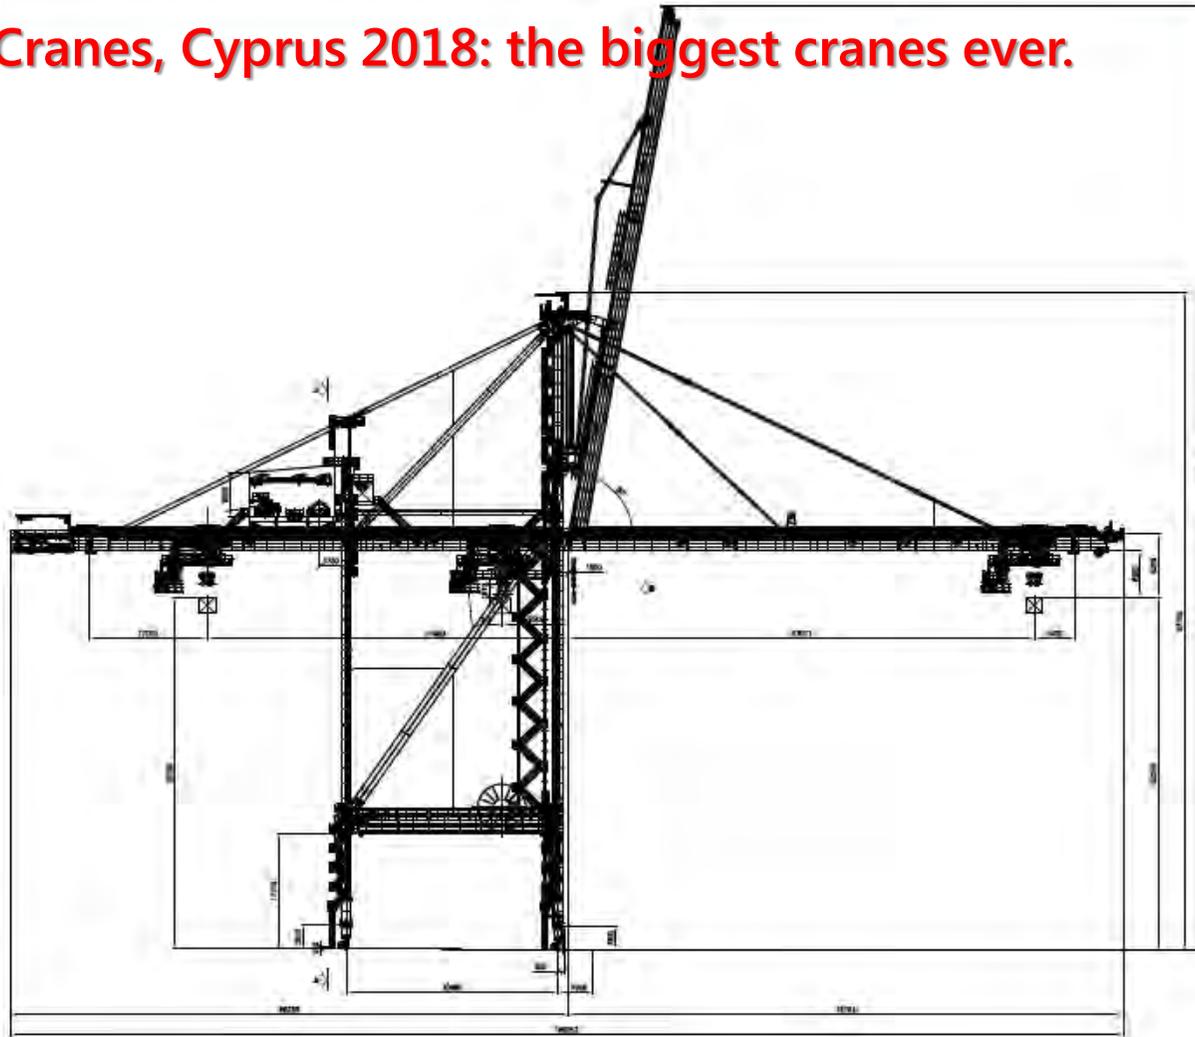

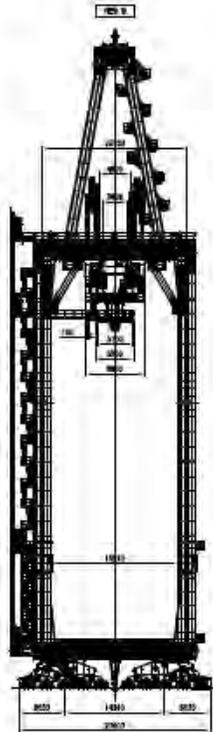

# Ship to Shore Cranes, Mauritius 2017: the latest generation cranes

## Main Features

|                  |   |
|------------------|---|
| Scope of work    | Engineering and supply of No 2 STS cranes |
| Span             | 30 mt.                                    |
| Outreach         | 65 mt.                                    |
| Back Reach       | 20 mt.                                    |
| Total hoist lift | 61 mt.                                    |
| Nominal load     | 65 T under spreader. 85 T at hook         |

# Ship to Shore Cranes, Cyprus 2018: the biggest cranes ever.

## Main Features

|                           |   |
|---------------------------|---|
| Scope of work             | Engineering and supply of No 2 STS cranes |
| Span                      | 30,480 mt.                                |
| Outreach                  | 68,5 mt.                                  |
| Back Reach                | 20 mt.                                    |
| Lifting hoist above rails | 52,5 mt.                                  |

- ❑ Availability of spare parts stocked in our warehouse

- ❑ Fast and reliable spare parts logistics service
