CMA CGM intermodal activity Worldwide

6,58 MILLION TEU ON CARRIER HAULAGE IN 2021 WITH 2/3 IN **GREENER MODE**

CMA CGM one-stop shop for your logistics in Africa

- ✓ 1,7 M Teus from/To Sub-saharian Africa in 2021, incl. 80K with inland transportation in every countries
- ✓ 4 sea terminals + 2 in project
- ✓ Depot management in 3 countries, including TCD in Senegal
- ✓ Local logistics services through CEVA: documentation, last mile delivery, stuffing/unstuffing, forwarding

Our strategy: promote and develop massified mode of transport

- ✓ Use of sea terminals with highest level of service
- ✓ Use of rail services wherever possible
- ✓ Promote short-sea solution (Sea + land) to replace all-Truck continental moves

Beyond the transport...

✓ Digitalize the experience with CMA CGM: Quotation, Booking, E-BL

SPOT-ON

✓ Value added services to match your needs to

- Get visibility on container tracking, more agility & flexibility in your supply chain
- Facilitate your business expansion and ease your documentation tasks (Paperless BL, Shipfin & Networking)
- Protect yourself in case of unexpected events
- Protect your cargo quality in the best way
- Reduce / offset your carbon footprint

CMA CGM+

✓ Compliance & Sustainability of our operations
