# FUTURE PLANS

# Transforming Muara Port into a regional hub in BIMP-EAGA

**MPC strives to become a regional hub by continuously improving port operations, developing new shipping routes, constructing an integrated industrial logistics park, and partnering with industries.**

**MPC will help to realize the “Wawasan Brunei 2035” by supporting the expansion and diversification of Brunei's economy, as well as the synergistic development of Muara Port and BIMP-EAGA.**

# EXPANSION PLAN

5 UNITS  
QUAY CRANE

3 UNITS  
RTG

13 METERS  
DEPTH

500 METERS  
QUAY LENGTH

500,000 TEUS  
CAPACITY

## Integrated Bonded Logistics Park

Plan and build an integrated bonded logistics park at Muara Port

Actively seek transshipment and warehousing businesses with BIMP-EAGA presence

Complement Wawasan Brunei 2035 and leverage on RCEP and trade policies & regulations of BIMP-EAGA

Establish the integrated bonded logistics park to support the growth of local businesses and other warehousing businesses in Brunei Darussalam.

## Strategic Focus: Develop New Shipping Routes

**An economical and convenient  
direct container liner services.**

- Direct container lines from Muara Port to major global markets.
- Help promote the trade links between the BIMP-EAGA and other regional markets.

THANK  
YOU
