SEAMLESS SOLUTIONS, SMARTER OPERATIONS

1

Vehicle registration when embarking

3

ENGARAGE ENTERPRISE

Vehicle customization after disembarkment

4

Vehicle pick-up for hinterland transfer

5

Vehicle delivery by train

2

Vehicle location when parked

A group of diverse warehouse workers are gathered in a break room. They are wearing safety vests and casual work clothes. Some are eating, some are talking, and some are holding food containers. The scene is set in a warehouse with cardboard boxes and shelving in the background. A central yellow box contains the text "Real Stories, Real Results." with a red play button icon in the middle.

**Real Stories,
Real Results.**
