# CILTM - Stronger Together

- We are the leading global membership organisation for everyone who works in supply chain, logistics and transport.
- We help you and your organisation gain the knowledge and insights you need in the modern world where logistics and transport skills matter.
- We're now in over 30 countries worldwide. Our standards and your membership status are recognised wherever you go and wherever you work.
- We influence and shape government policy across many economies.
- A career partner for life. We start with students and support their careers all the way to becoming professors, government ministers and supply chain directors.
- The Chartered Institute of Logistics and Transport in Malaysia (CILTM) had its beginnings in 1965 with the formation of Malaysia Section. Internationally, the institute has about 40,000 members with about half the number residing outside the UK, mostly in the Commonwealth countries. Malaysia has about 2,300 members of all grades.
