Fostering Relationships

We have carved a niche by being one of the prominent ship repair yards in the Middle East. We strive on building and fostering relationships with our clients and our suppliers. Our successful existence is a testament to our rich legacy. We are proud of our accomplishments and the relationships we have made possible only through our hard work and dedication.

Radisson 

www.solve.com

A leading Terminal Operating System for ports and terminals. An ultimate set of solutions for managing just any type of cargo: container, break bulk, Ro-Ro, general cargo, etc., including extra solutions as the VBS, AGMS, VGM.

Solutions for managing yard

YMS helps to manage all the operations at the yards, including allocation and storage of different types of cargo, housekeeping, reefer and empty containers management, CFS management etc. Providing procurement of gate-entry/cargo pick-up permits for truck-drivers, trucks and cargo forwarders/transport companies.

Solutions for warehouse logistics

One of the leading software providers of SCE software. Solutions range from WMS to WCS, Yard, Billing, KPI and more for all verticals: production, retail and distribution, 3PL and pharmaceuticals.

Consultancy in logistics and system integration

Logistics and Management consultants, including specializations for Project Management, Optimization, Engineering, Design and Procurement. As well as training, seminars, webinars and other educational events.
