ZAMBIA AIRPORTS CORPORATION LIMITED

Ramp Services:

Our ramp services directed at our airline partners include aircraft marshalling, cabin cleaning, passenger steps, high-loaders and aircraft auxiliary support such as ground power and air starter units. We also offer passenger ambulant services for physically challenged passengers.

Security Services:

To ensure safety on board, Zambia Airports Corporation Limited manages a robust and stringent security system. This is supported by CCTV cameras, baggage screening, search way metal detectors.

Air Navigation Services:

We guide aircraft throughout the Zambia airspace to ensure safety of all aircraft flying into Zambia or overflying the Zambia airspace. We have installed state of the art radar systems and equipment at a cost of over USD20 million to enhance the safety of all within our airspace.
