DP WORLD

DP World, one of the largest global marine terminal operators in the world with more than 100 operating terminals in six continents, handling 15 million TEU in 2013. DP World employs around 30,000 people around the world and is constantly investing in infrastructure, facilities and technology to provide world-class service to their customers. Through our development projects, we are investing in infrastructure, capacity to handle 10 million TEU by 2020.

### MAPUTO

DP World Maputo has the honour to manage, develop and operate the Maputo container terminal. The 100,000sqm area has been granted until 2043.

**Port of Mombasa**

Mombasa lies on an excellent location on the East African Coast (between Durban and major ports in the Red Sea and Middle East)

The Port of Mombasa serves a wide agricultural and mineral resource rich hinterland consisting of Uganda, Rwanda, Eastern DRC, Northern Tanzania, Burundi, South Sudan and Ethiopia. It is well connected in the region, with over 33 shipping lines calling and providing direct connectivity to over 80 ports.

**Mandate, Vision, Mission**

**MANDATE**  
To maintain, operate, improve and manage all scheduled seaports along Kenya's coastline

**VISION**  
World class seaports of choice

**MISSION**  
To facilitate and promote global maritime trade through provision of competitive port services.
